Corpus Christi, port and playground of South Texas, is on the Coastal Plain southeast of the mouth of the Nueces River and overlooking the sweep of Corpus Christi Bay. Across the bay's blue waters lies a barrier of islands washed by the Gulf of Mexico. The city is built on two levels. The older part reaches close to the water front; the newer is spread over a bluff that rises more than forty feet above the tide.

Covering more than twenty-two square land miles, Corpus Christi has a population of more than 176,000. It is one of the thirteen larger cities in the Southwest and it is among the top 100 in the nation. Its resources are many. At its very door and for many counties around is found some of the most fertile and productive farm land in the world. The area of which it is the capital is rich in the production of oil and natural gas. It is dotted with important industrial plants. A great Naval Air Station borders the bay.

A pleasant climate, warm in winter and cooled by the Gulf breezes in the summer, makes for a year-around resort for recreation. Broad beaches, both on the Gulf and sheltered bays, together with fine hunting and excellent fishing, attract the pleasure seeking tourists.

The best of luck to a swell guy. I'll look forward to seeing you next year

The best of Luck to a nice guy.

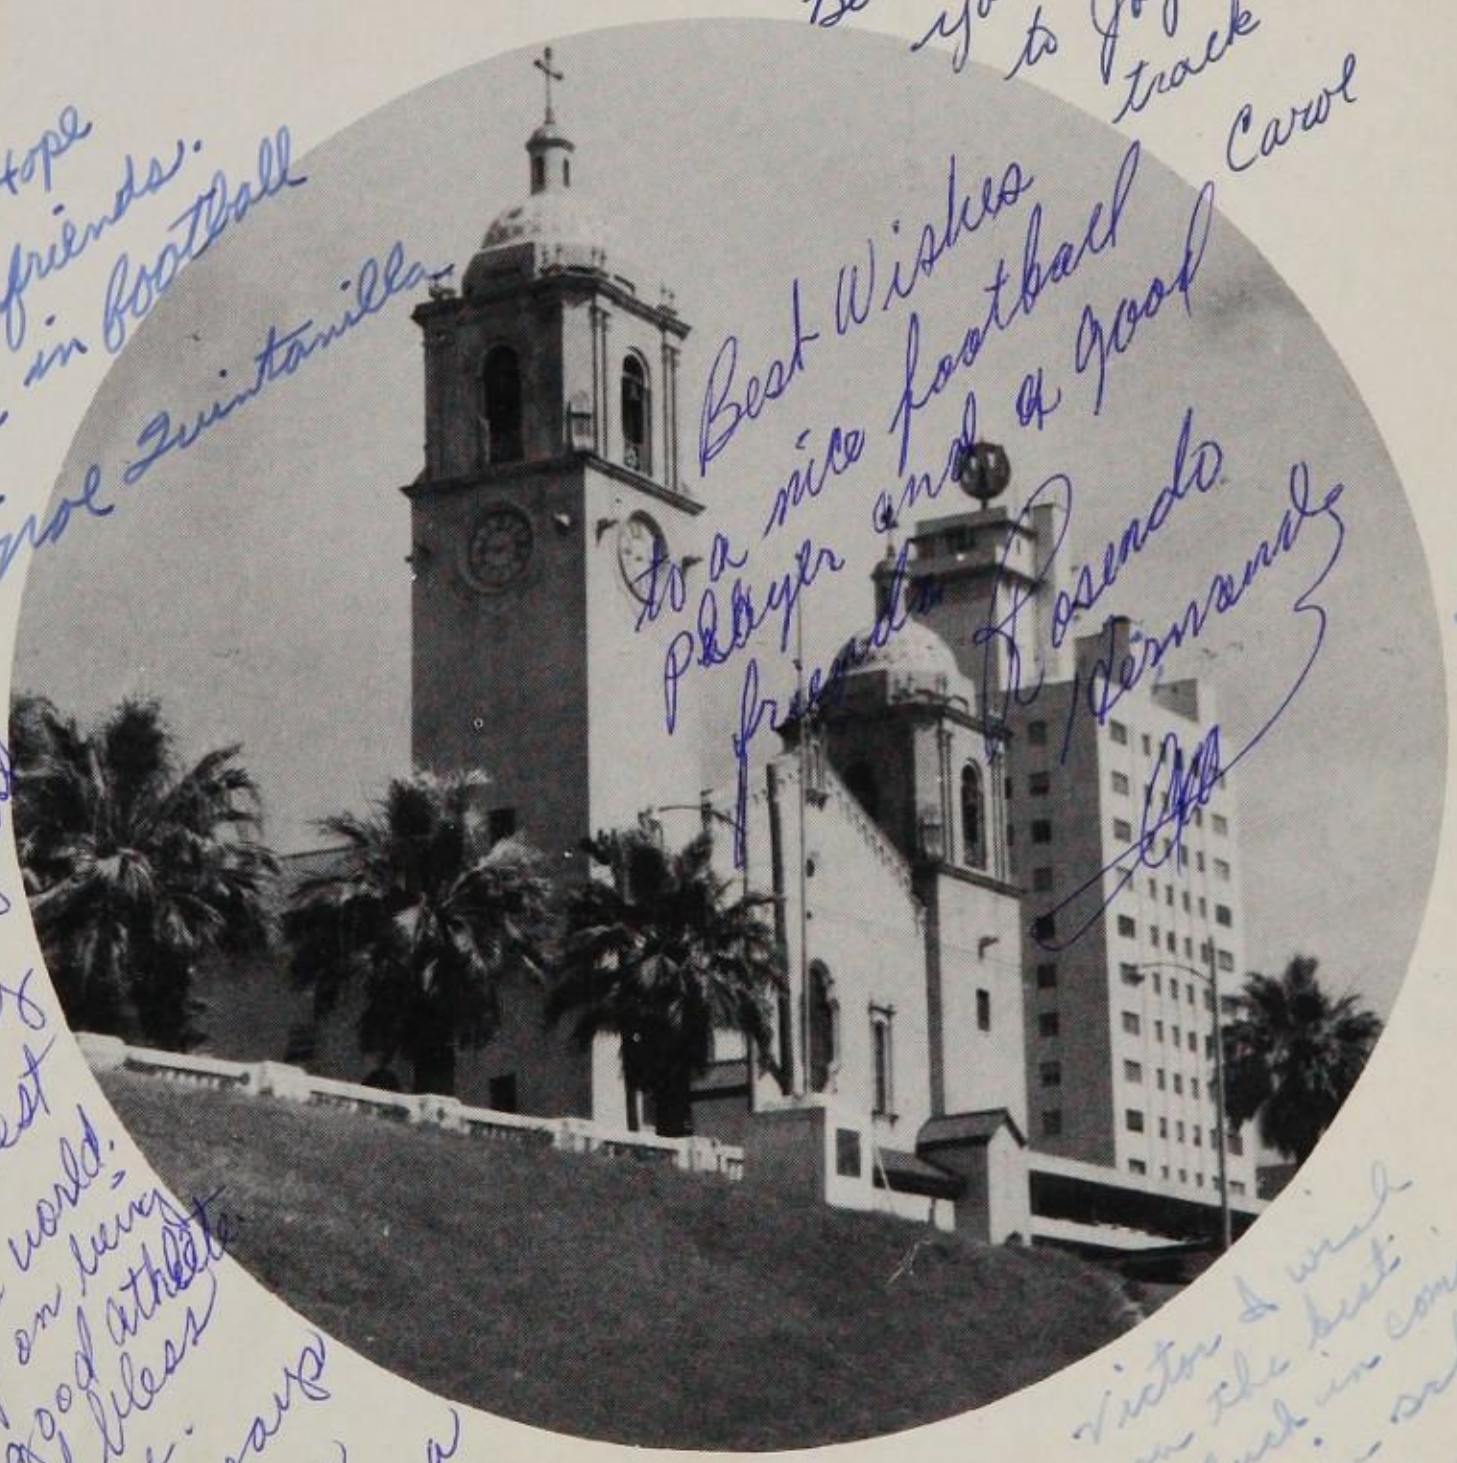
Cinderella City of the South

The Corpus Christi Cathedral, an important landmark of the city, is a familiar sight to all Corpus Christians. The Cathedral's mighty chimes ring out the time to the whole downtown section of the city. The Spanish architecture of the church is a real feature of the beauty of Corpus Christi.



Corpus Christi, Great Now,

The first surge of growth came in the 20's with the opening of the port. But the most spectacular period of development started with the city's rapid industrial expansion during World War II, and has continued to the present. During this period Corpus Christi has achieved the most outstanding growth record of any major Texas city. Many factors are responsible not the least of which is the abundance of economical natural

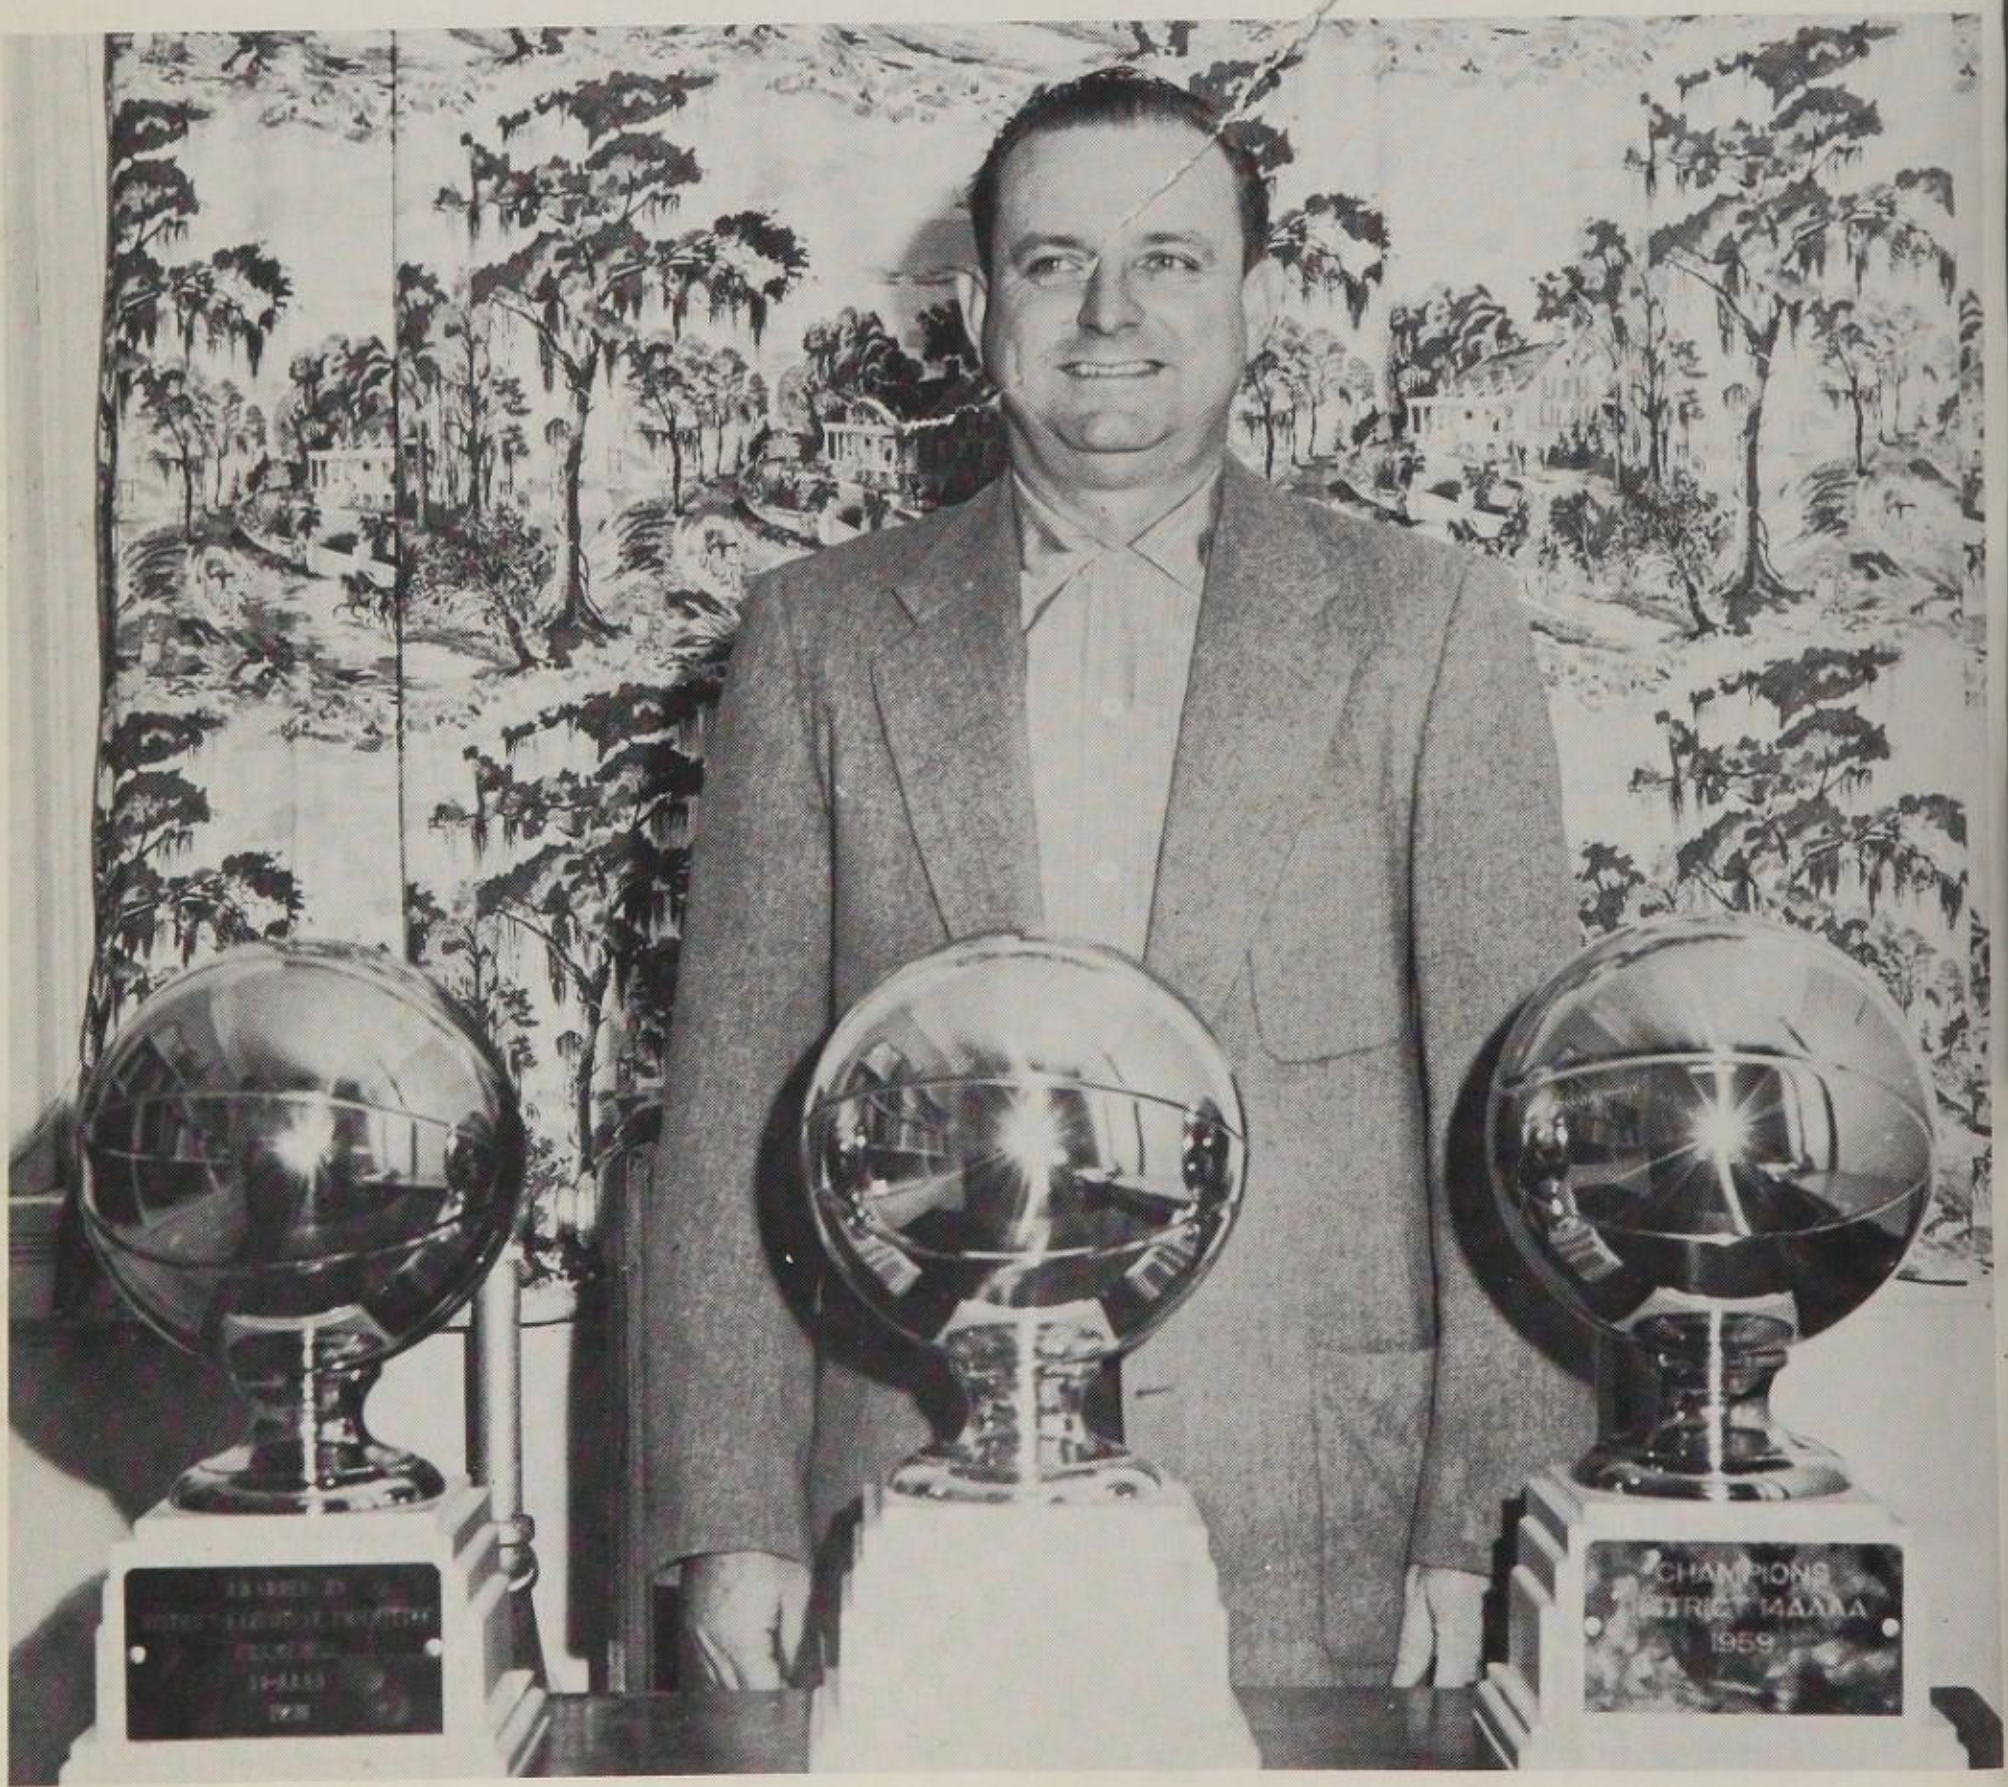
gas to furnish both fuel and raw material for an increasing variety of industries.

Now, with the opening of the new bridge, Corpus Christi begins a fresh chapter in its growth. The Harbor Bridge, which is over a mile long, cost approximately 20 million dollars. New port facilities will be available, new tidewater sites will be opened for industries. Opportunity for a still greater industrial future is now limited only by the imagination and initiative of the investors.

Varsity Basketball Team and Coach Worthy of Dedication

For the past seven years George Utterback has been the head coach of the Battlin' Buccaneer Varsity Basketball team. Racking up a very impressive record, Mr. Utterback's team has held the district championship for three consecutive years. During Mr. Utterback's years at Miller he has attained the title of assistant coach of Miller's B football team. He teaches bookkeeping and is looking forward to many more successful seasons.

Coach George Utterback stands beaming proudly with his team's three District 14AAAA trophies.



The 1960 Duffle Bag has been dedicated to the Battlin' Buccaneer varsity Basketball team and coach. The Bucs won twenty-one games and lost ten. They immediately began to show Corpus Christians who would be the 1960 District 14AAAA champs. For a while it was a three-way tie and it looked as if there would be a play-off; however, the Buccaneers came through with a sensational ten to two district record, holding the district crown for the third year.

The Bucs' only two losses were to Carroll and McAllen. After winning district, the team traveled to Austin to compete in the bi-district game. Although the Bucs started off rather slowly, they made a sensational come-back in the second half. Fighting until the final whistle, the Bucs were defeated 47-46. Even so, the Bucs proved worthy of their honor by having three placed on the first and second all-district teams.

1960 District 14AAAA Champions are: **Row one:** Kenneth Johnson, Aurelio Hernandez, Billy Howell, and Wayne Hamilton. **Row two:** Bob Hawkins, Manager; William Anderson, and Henry Williams. **Row three:** James Caldwell, Tony Gallardo, and Bobo Beynon. Bill Garrison is not pictured.

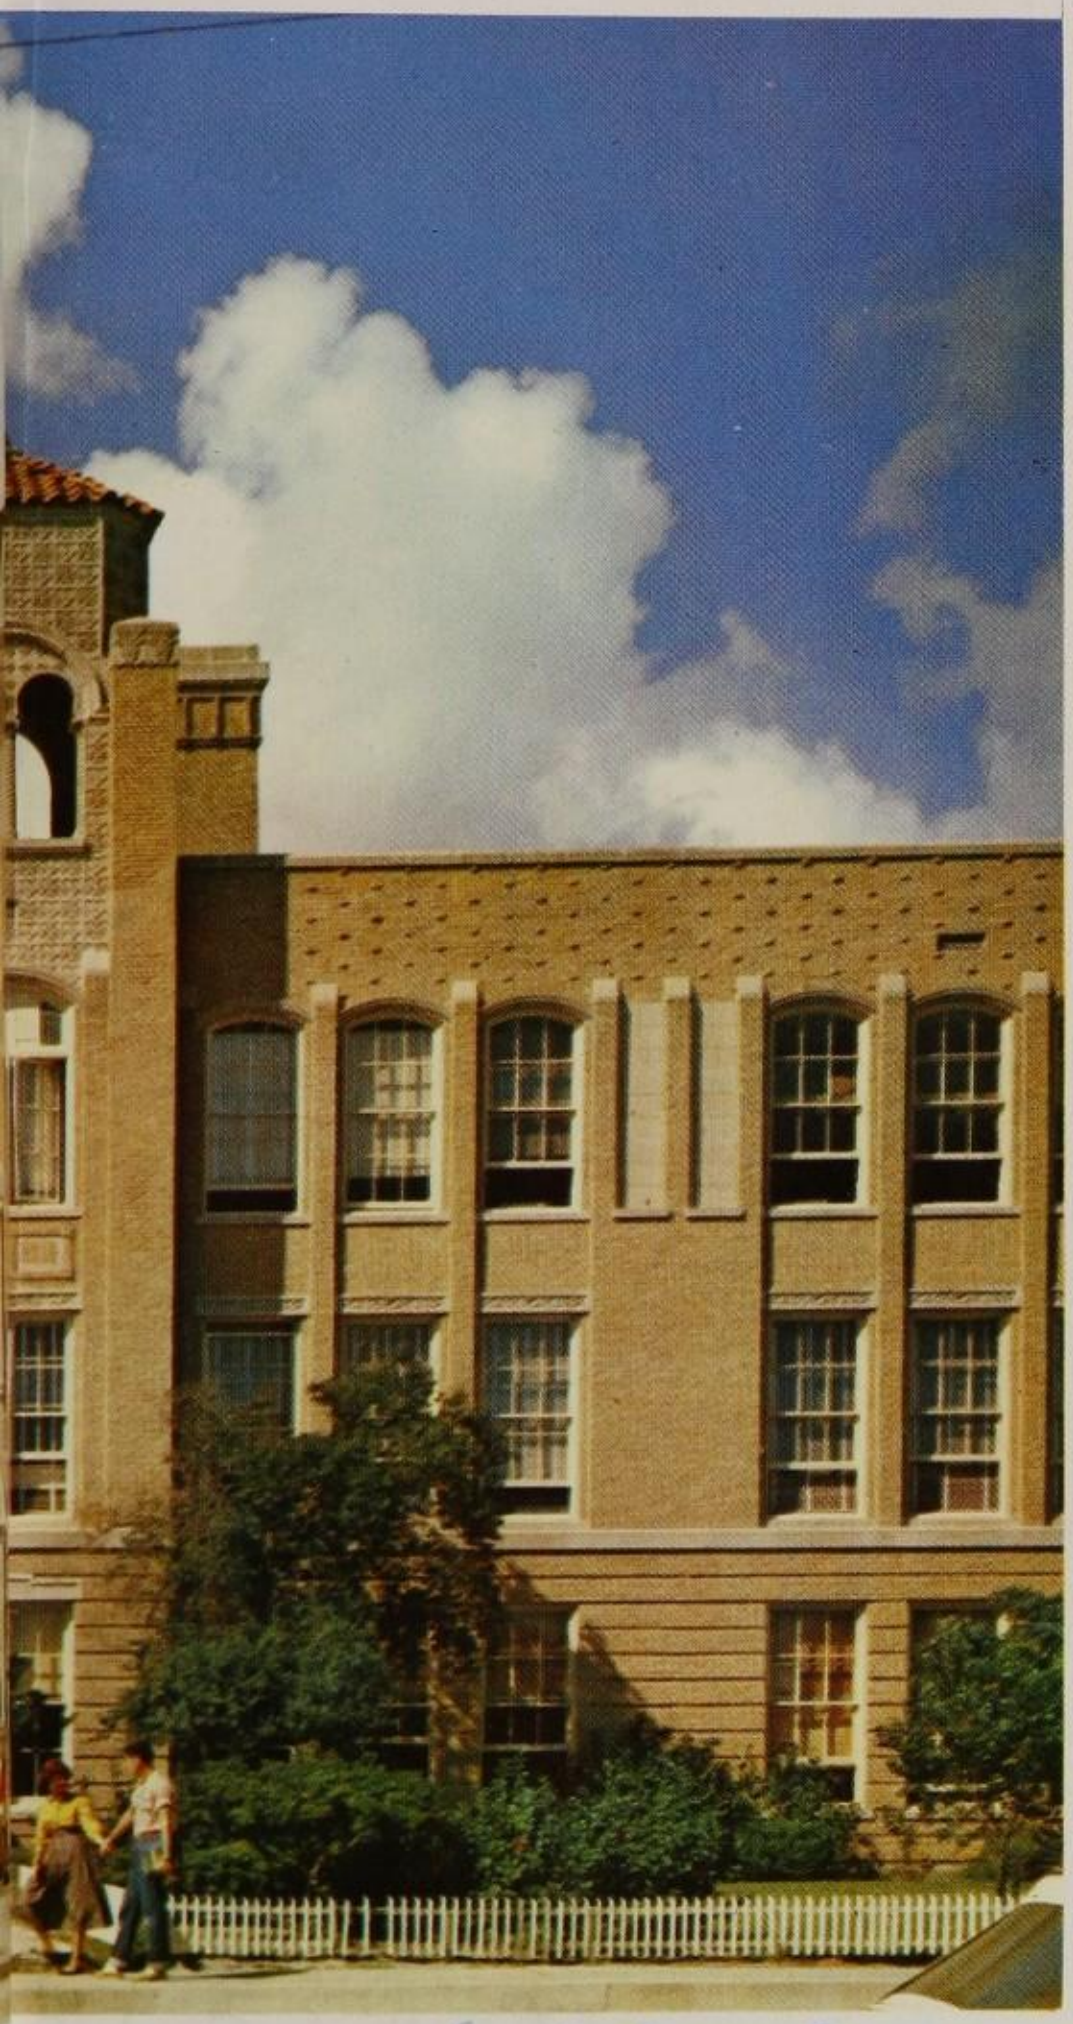
Roy Miller High School,

Home of the Buccaneers



Roy Miller High School, featured by its richness in tradition, spirit, and loyalty, has, for years, been an outstanding school in the eyes of Corpus Christians. Activities at Miller have always been highly supported by Buc fans — and throughout everything, faculty and students have been able to maintain a high scholastic record at Miller.

The always - looked - forward - to football season is a trying time for all Buccaneers. The season is highlighted by Friday morning pep rallies, purple and gold lights in the school towers after each victory, and the yellow mums centered by a purple "M," which are a feature of every Miller-Ray game. Miller coaches Tom Pruett, now at Baylor, and Pete Ragus have produced great football teams and such stars as Fred Braselton and Larry Dueitt, in 1955, and Bobby Smith, this year.

Miller High School, which has improved for the better in every way possible, including its high moral, physical, and scholastical aspects, has continued to expand in its building itself. The school was built with its present Buc Stadium, the center of outstanding sports for most of Corpus Christi; just a few years ago the gym was added, which has served as the site of thrilling basketball games, pep rallies, and victory dances; and this year a new set of classrooms on the present tennis courts is to be completed to accommodate the ever increasing enrollment at Miller.

The old floors at Miller as well as the new ones will be walked by more and more loyal Buccaneers in the years to come; and the faculty and students who have walked these floors in the years past can honestly say that the thoughts, heartaches, and dreams-gone-by at Miller are never to be forgotten.

School Life . . .

Registration begins the fall semester, which is highlighted by the pep rallies, car parades, and general excitement of football season, as well as the actual games. Christmas and mid-term come quickly.

Spring brings new activities, especially to seniors; the Senior Prom and Graduation end the term. Guest speakers, as well as school groups, participate in many special assembly programs during the year.

These students seem pleased that registration is finally completed, and that a new school year is about to begin.

Registration Begins

Janice McNeill shows new sophomores where their rooms are located. The sophomores are Dorsey Ewing and Judy Kay Lynch.

Guide Johnny Cravens hands out handbooks to students Jeanette Ermis, Elvira Bernal, and Butch Bradley.

Long School Year

This year Miller tried a new system of registration, that of the students' registering on different days. Miller seniors registered August 27th; juniors, August 28th; and sophomores, August 31st.

Guides, sponosored by the Student Council, answered questions, gave directions, and helped the students in any general way they could.

The students were having a time figuring out schedules and comparing classes. All, however, seemed pleased with the results.

Mr. Sluder signs Roger Corkill and Irma Venegas for one of his Texas history classes.

New Teachers

Mrs. Herbert teaches English and Spanish at Miller. She taught five years in Corpus Christi right after graduation from college. Her hobby is writing, in which field she has excelled in the writing of a play and several books.

Mrs. Gilbert is the newest of our D.E. and I.C.T. teachers. Here she is seen enjoying a coffee break.

Mr. Marshall is teaching his first year at Miller after two and a half years of teaching at near-by Calallen. The English teacher has found his sports car very efficient in getting him in and out of the congested traffic at Miller.

Mrs. Love faces a year of hard work as Miller's new registrar. She is shown consulting with Irma Castillo, one of the new students late to enroll. Mrs. Love came from Ray, where she was secretary to the assistant principal.

Join Staff

A new homemaking teacher at Miller, Mrs. Carol Ponton came to our school from Cunningham. She attended Southwest Texas State Teachers College, where she received her B.S. degree.

Mr. Fancher teaches American History and science. He is from Oklahoma and received his degree from Southwestern State College.

Miss Kay Hudson, who sponsors the cheerleaders and Rally Club, is one of the two P.E. teachers new to Miller. Miss Hudson possesses the happy, shining face seen around the P.E. rooms.

After teaching for one year at Taft, Miss Tyrrasch came to Miller as one of the new P.E. teachers and is sponsor of Peradus Y-Teens. She received her degree in P.E. at the University of Texas.

Teacher of American and world history, Mr. Corbin is in his first year at Miller. He came here after graduating from A&I College.

Mrs. Shultz, Mrs. Warnke, and Mrs. Benkendorfer collect the P. T. A. dues from Mrs. Rhodes, Mrs. Henson and Mrs. Kuehn.

Purposes of the P. T. A.

To promote the welfare of children and youth in their home, school, church, and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into close relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

P.T.A. Looks

Members of the executive board of the 1959-60 Miller P. T. A. are, Mrs. J. Pratt, president; Mrs. E. Mueller, vice-president; Mrs. N. Brown, parliamentarian; Mrs. L. Bobo, secretary; Mrs. Otto Kuehn, treasurer.

Mrs. Brown, Mrs. Kuehn, Mrs. T. Melton, Mrs. Pratt, and Mrs. Bobo, all seem pleased by an idea presented by one of the members for the 1959-1960 P. T. A. program.

to the Future

Mrs. Powell, a U. S. history teacher, meets other members of the P. T. A. The parents are Mrs. Walker, Mrs. Towers, Mrs. Kadanka, and her daughter, Vicki.

The Roy Miller High School P. T. A., organized in 1950, is headed for the second consecutive year by Mrs. J. Pratt. The purpose of this hard-working group is to promote the welfare of children and youth in the home, school, church, and community. Parents and teachers strive together to better the conditions for the youth of their community.

This year's theme is "Back to School through the P. T. A."

Miller's Spirit Known Throughout the State

Miller's great school spirit is known throughout Texas. We have earned a reputation for backing the Bucs, whether they win or lose, and our "twelfth man" is among the most enthusiastic in the state. Various activities, such as the selling of ribbons, the painting of signs by the Student Council, and our pep rallies, keep up this spirit.

Our pep rallies are well planned and are participated in by the entire student body. Speeches by Coach Ragus and "Snuffy" Creighton, and the cheerleaders' skit, are always included. However, the parts of the program making the strongest response are traditional yells, especially "Victory," and the singing of the fight song and alma mater.

Lupe Reyna, Nola Radke, and Regina Torres give the finishing touches to one of the many signs painted by Student Council members before each football game.

Coach Pete Ragus is a familiar sight at each the characteristics of the opposing team or

Sophomores Freda Glaze, Pam Burns, Carolyn Eaton, Johnny Rhea Jinks, Betty Johnson display patched tow sacks, gigantic freckles, and tiny ribboned braids on the day of Tawanka's initiation.

May Be Limited to Only One or Shared by Entire School

Activities such as the taking of the senior class picture, the senior play, sophomore initiation, and certain assemblies usually include only one particular class.

Club and athletic activities are participated in by sophomores, juniors, and seniors. However, the older students generally are the recognized leaders in each group.

Seniors do anything and everything except listen as the photographer gives instructions for the class picture.

Battlin' Bucs' Spirit Hits High Point Before Ray Game

This year, as in the past, the Miller-Ray game was the highlight of the Corpus Christi high school football season. The weeks preceding the game were a period of ever increasing excitement and tension. Daily pep rallies were held during the week of the game. On Thursday night the "Burning M" bonfire was held, and we had our car parade. Friday morning in the gym the final pep rally before the game was held, as school spirit rose to its peak for the game that night.

Football Players, Cheer Leaders Receive Jackets

Each year an assembly is held in the gym after the close of the football season. In this assembly the football players and the cheerleaders receive their jackets.

At this time the co-captains of the football team and the head cheerleader are announced. This year the co-captains were Bobby Smith and Bobby Cruz, while Joyce Byrd was named head cheerleader.

Coach Pete Ragus presents the last jacket to our star halfback, Bobby Gene Smith, who was chosen for the All-State team.

On the afternoon of the last day before the holidays, the Girls Choir and the Mixed Choir sang carols in the halls.

Christmas season brings excitement both in school and outside. A Christmas tree is placed in the front hali and decorated by the Student Council, and a Christmas assemby is given. Plans are made for the dances and other social events which make the holidays a bright spot in the winter season.

Choirs Present Christmas Program, Carol In Halls

Four murals drawn by Cary Dean Griffin, a senior, set the theme for the Concert Choir's Christmas program. The Madonna and Child, symbolizing the faith of Christmas, appear in the first mural; the second depicts two revelers holding a horn and a drum, representing good will. Pealing bells in the third mural represent joy, while in the fourth an angel symbolizes the glory of the Christmas season.

Seniors wait in line while ordering graduation invitations and personal name cards.

Education and Entertainment

These boys seem to feel right at home during a field trip to our courts and jails which was taken by many of our civics students.

Special programs, trips, and special classes greatly enrich our curriculum. Through them we gain a wider and better-rounded outlook.

Extra-curricular events give quite a bit of lively entertainment to after-class hours. They provide essential diversion and amusement.

Class Favorites, Nominees Presented at Annual Dance

Morris Wilson, Betty Becka, Marvin Kennedy, Sandy Oswalt, and Kay Anderson, some of this year's sophomore favorite nominees, were photographed by the "Southern Plantation" mural which set the theme for the dance.

Sally Cochran, Ricky Holiday, Nancy Bedingfield, Jimmy McHorse, Billy Howell, Linda Hurley, Bobo Beynon, and Ellen McCaughan anxiously await the announcement of the class favorites of 1960.

Favorites Told At Annual Dance

In February of each year Miller holds its favorites' dance in the school gymnasium. A brightly-colored mural and low-hanging ceiling decorations were the setting for a plantation theme. Eddie Galvan's orchestra played for the dance. Each class chose five boys and five girls as favorite nominees. From this group the top two boys and girls were chosen as class favorites.

Any senior who wished to be in the play could try out for a part. All of the members of the cast spent many hours at rehearsal to present a successful play.

Stage Managers were Robert Clark and Jack Pratt. The House Manager was Ray Wolf. Make-up and costumes were by Esmeralda Godines, Pauline Meru, Mary Presas, and Virginia Garcia. Mr. Alley, our first assistant principal, has the job of disciplining the Miller students and ironing out the difficulties that arise during a typical day at Miller. His cheerful "good morning" as he begins the announcements each day puts everyone in a good mood. Mr. Alley, with his wife and son, resides at 1625 Devon.

MR. CENA S. MORGAN

Miller's second assistant principal, Mr. Cena S. Morgan, carries on most of his never-ending chores in his office in the bookroom. Taking care of lost and found articles and collecting fines for lost or damaged books are only two of his many important duties. Mr. Morgan's support of Miller activities has been significant throughout his six years at Miller. He is truly a favorite of all teachers and students associated with him.

Non-Teachers Do Vital Work

Of great importance throughout the school year is the non-teaching personnel of Roy Miller High School. The secretaries to the principals are of much assistance in helping to carry out a normal school day. The heavy responsibility of registering all the pupils and keeping their records in order rests in the hands of our registrar and her assistant. Our very capable counselors help students arrange their courses for the high school years and assist seniors in choosing professions or selecting colleges they may wish to attend after graduation.

Aid Given Us By Personnel

Our very efficient librarians do a wonderful job of keeping the library in good order and assisting students in finding books. Our school nurse has the never-ending duty of taking care of sick students. Taking temperatures is a small task the nurse performs many times during a typical school day. The manager, cashiers, and other cafeteria personnel have the all-important job of turning out enjoyable meals to the always-hungry Miller students. The Miller High School custodians have a behind-the-scenes, but nevertheless, a very appreciated job. It is these hard workers who keep the classrooms, offices, and the halls brilliantly clean and in "working order" for the Miller students and personnel.

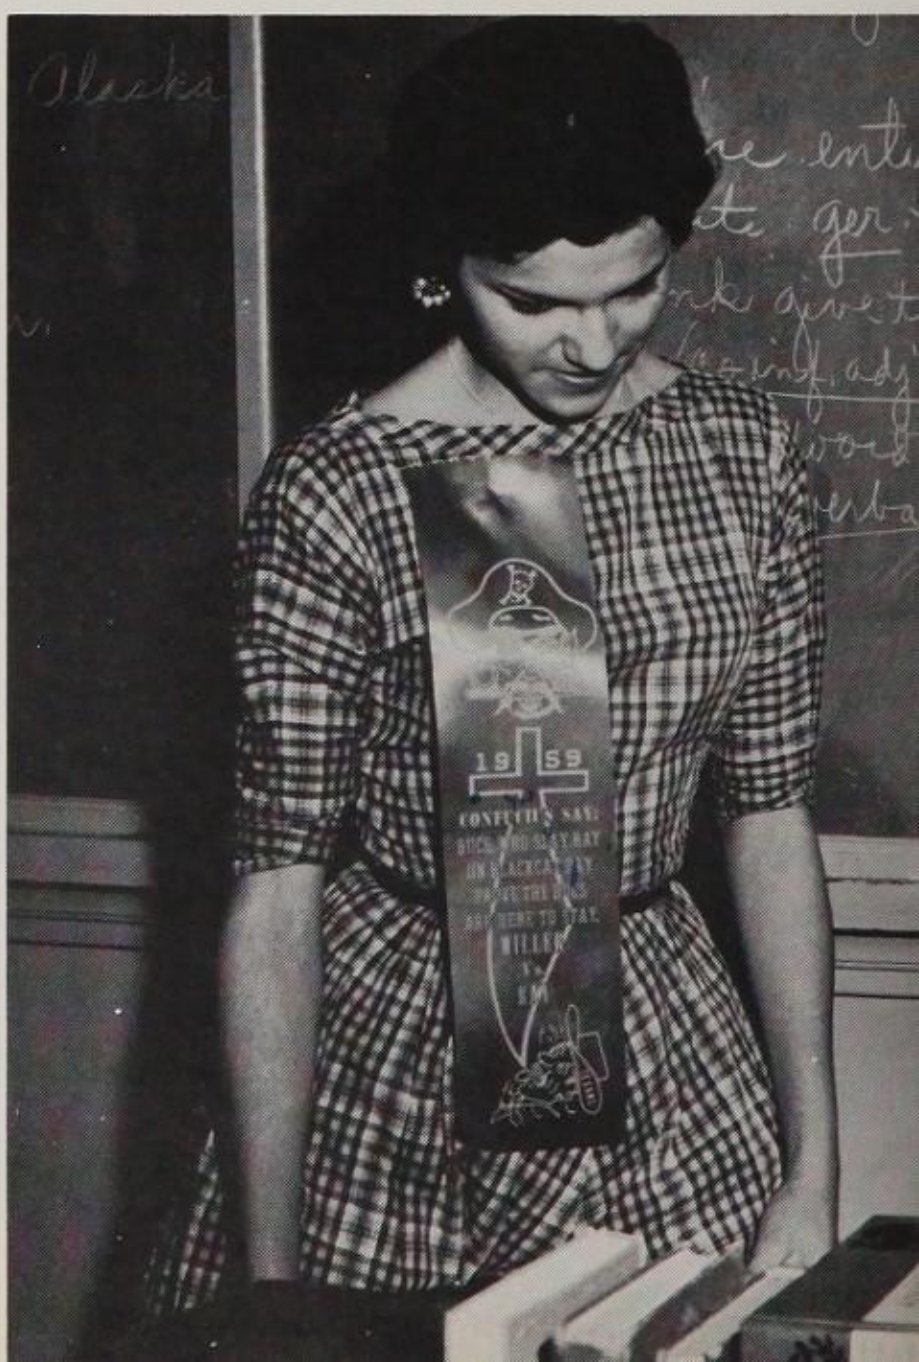
English, no doubt, is the most important course a student takes in high school. Good grammar and a general knowledge of literature are most important throughout one's life; and because three years of English are needed for graduation, most students leave Miller with a good-enough background in English to obtain a good job and secure a successful future for themselves.

For the first time at Miller, a new system of having grammar first semester and literature second semester is being tried. The English faculty hopes that this new method will give the students a better understanding of literature through a more thorough understanding of grammar.

Mrs. Wise helps Diane Aleman with a difficult grammar assignment.



Knowledge of Good Grammar

Sophomore English students at Miller obtain a basis in grammar which assists them in their English in the remainder of high school, throughout college, and on through their lives. The big feature of sophomore literature is the study of SILAS MARNER and JULIUS CAESAR.

In their junior year of English, students add detail to their knowledge of grammar and discover that much emphasis is placed on theme-writing. Junior literature finds students studying such plays as OUR TOWN and THE SNOW GOOSE, and great poems such as "Thanatopsis" and "The Raven."

In senior English, teachers indulge in preparing their students for college. This is evident of the very thorough study of grammar and the stressing placed on good theme and book-report writing.

Pupils Gain Knowledge

Science courses are planned to give members of the student body a broader understanding of the world in which they live, and of the laws of nature which govern it and them.

Biology is the study of living things. Chemistry demonstrates how various substances react with each other. Physics, the most advanced course, is the study of matter in motion.

Two credits in any mathematics course are required for graduation from Miller, and at least two years of advanced mathematics are needed for entrance into most colleges.

Math courses include four semesters of algebra, two semesters each of plane geometry and commercial math, and a semester each of trigonometry and solid geometry.

A big choice of electives are available to students who have extra periods after fulfilling their requirements or to those students not wanting a study hall. Among the more popular courses Miller students take are music courses, which include band and choir. Spanish also draws quite a number of students. Some other courses which students going into particular fields may choose include, among many others, physiology, mechanical drawing, drama, and homemaking.

Provides A of Choices

Many important courses in the fields of commercial and industrial education are offered at Roy Miller. Most students take these courses for the purpose of continuing in these fields after graduation from high school. Some of the courses which students indulge in for training for a future job are auto mechanics, leathercraft, sheet metal, typing, shorthand, and business English. Students are normally able to go into their chosen vocation soon after graduation.

I.C.T., or Industrial Co-operative Training, aids students by offering on-the-job training in their chosen occupations in the trade and industrial fields. I.C.T. students may train for such well-chosen occupations as electricians, machinists, craftsmen, and mechanics.

Vocational Arts Teach Many Skills

Students taking typing, shorthand, and bookkeeping are well prepared for college courses. This skill is also helpful in doing class work.

Shop classes offer training for many types of work. Auto mechanics and sheet metal work are among the most popular of the vocational courses. Industrial courses include mechanical drawing, wood working, and leather crafts. These courses are important to jobs which require skilled workers.

P.E. Requirements Met By Students

Probably the most-enjoyed subject a student takes in high school is P.E.. Physical education classes give the student a period of relaxation from his normal school-work chores, which are replaced with lots of healthful, outdoor exercise.

The Band of the Battlin' Buccaneers is a group of high-stepping, hardworking students who spend many long hours practicing so that they can make their band the best. The band is well known for its fine half time performances during football season and is a well applauded group during concert season. The chief money-making project of the band is their yearly sale of candy which takes place each fall. The proceeds boosts the finances for their spring trip which is eagerly anticipated by the band members.

The band gives their whole-hearted support to the football team and the student body during football season. At the pep rallies, the band merrily leads off with the "Washington Lee Swing." Screams of happiness flood the gym when they began playing the old Glynn Miller favorite, "In the Mood." This peppy song has long been a highlight of all the Miller pep rallies.

The Buccaneer Band drum major, Ray Sanchez, has complete charge of the band when it is on the field. Under Ray's leadership, the band members strive to do their best.

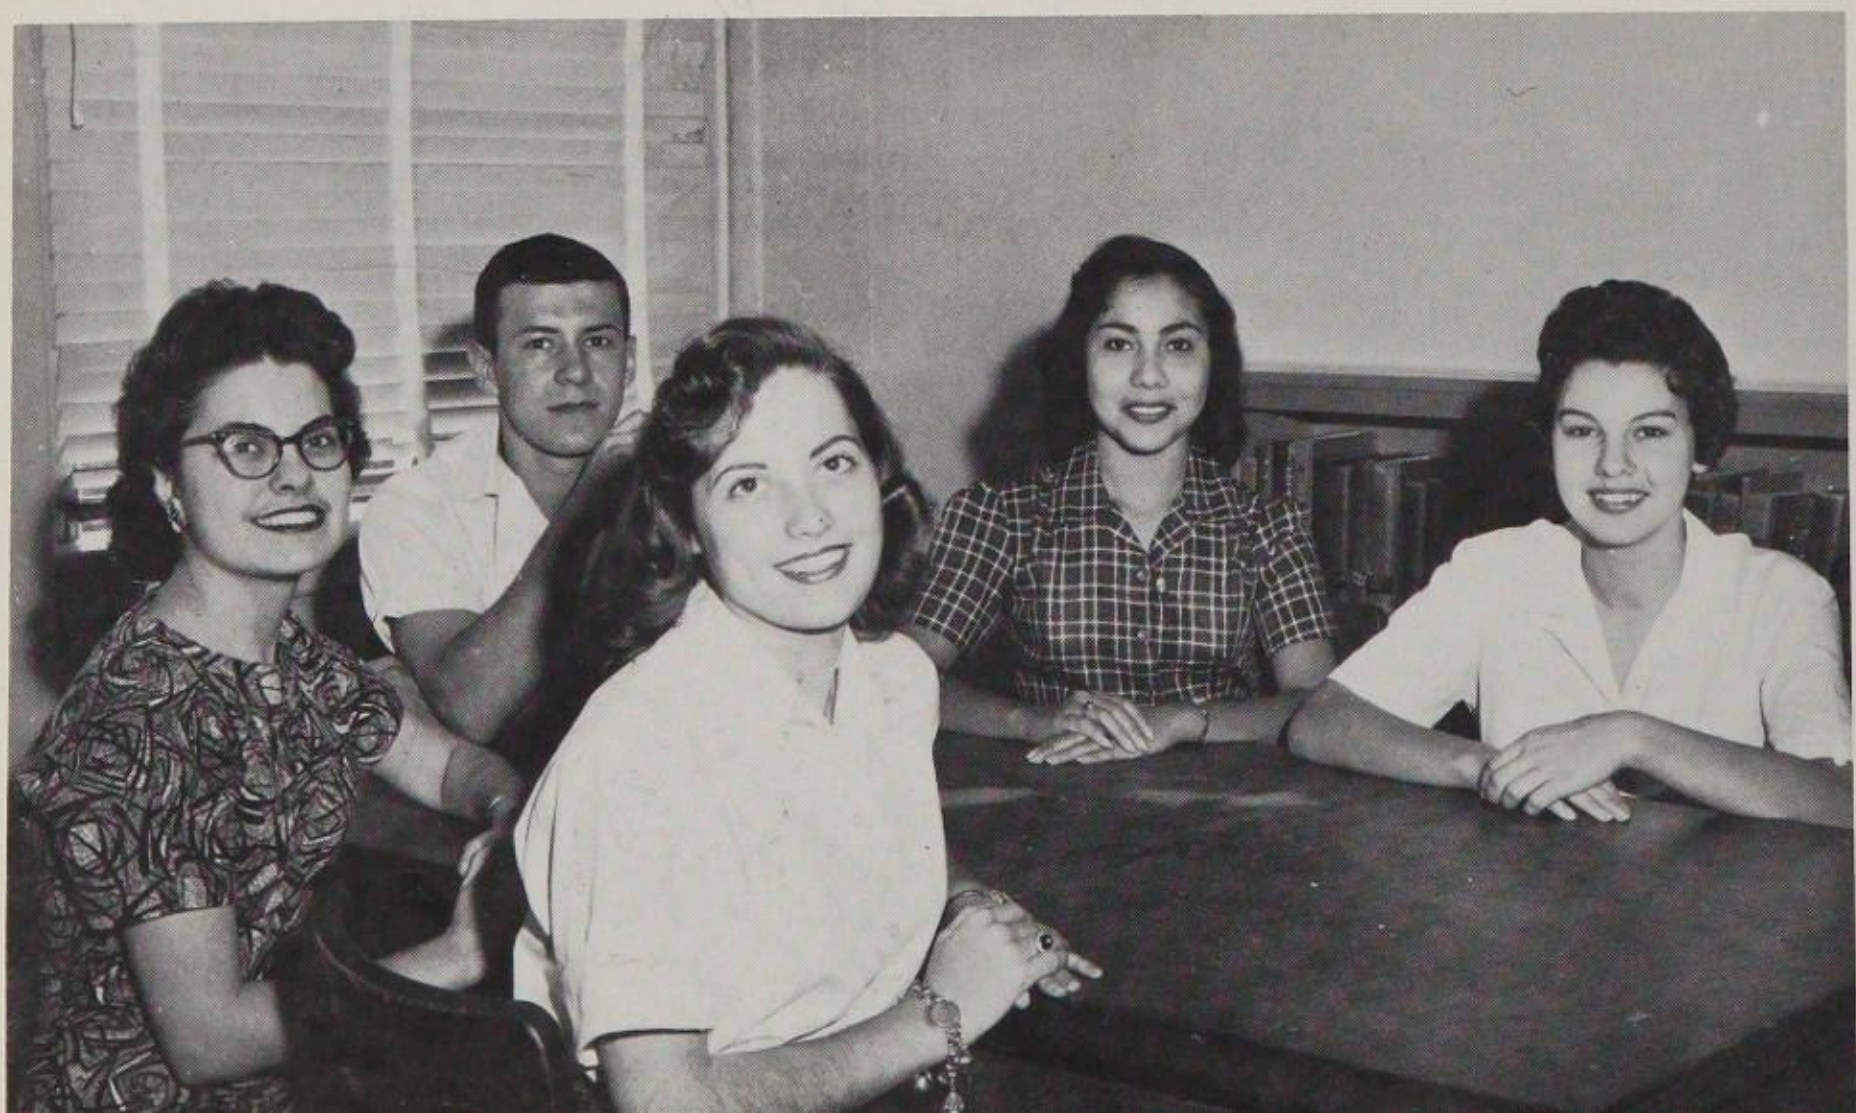
124 Students In Council

Our Student Council is a democratic organization that plays a very important role in each and every activity at Roy Miller. Representatives and alternates from each homeroom plus the executive committee make up the council. All representatives must maintain a B average. Each Miller student has an opportunity to voice his opinions on the various council projects and is able to make suggestions for improving or originating them. This is done through the representative who presents a report each Friday following the Thursday meeting. Every member of our Student Council is an active worker on one of the many standing committees.

Jeanne Maurer, Miller Student Council President, leaves the voting booth after casting her votes for cheerleaders and Student Council officers.

Miller High School Student Council officers pose in the Texas Room. They are Wanda Bennett, chaplin; Johnny Cravens, parliamentarian; Linda Hurley, corresponding secretary; Lupe Reyna, recording secretary; and Rose Marie Riveria, vice-president.



Bebe Melton and Johnny Cravens discuss the Favorites' Dance given by Student Council and Annual Staff.

School Spirit committee works the year a-round to boost school spirit.

Mrs. Cosgrove, sponsor of the Miller High School Student Council, admires one of the winning door decorations.

Committees Work Hard

Miller's council leads out in school activities. School spirit is stressed throughout the year. This is done by painting signs to promote interest and to boost spirit for each athletic team. The Favorites' Dance is one of the many socials sponsored by the Student Council. They serve the school by putting out a student directory and by sponsoring clean-up campaigns. Each year the council gives a banquet in honor of the graduating seniors. Selling peanuts for polio, collecting clothes for Kiwanis drive, and preparing baskets of food for needy families are just a few of the many worthy duties that the Miller Student Council performs for the community.

Linda Hughes, aided by Kathy Ryan, writes the daily menu on the bulletin board.

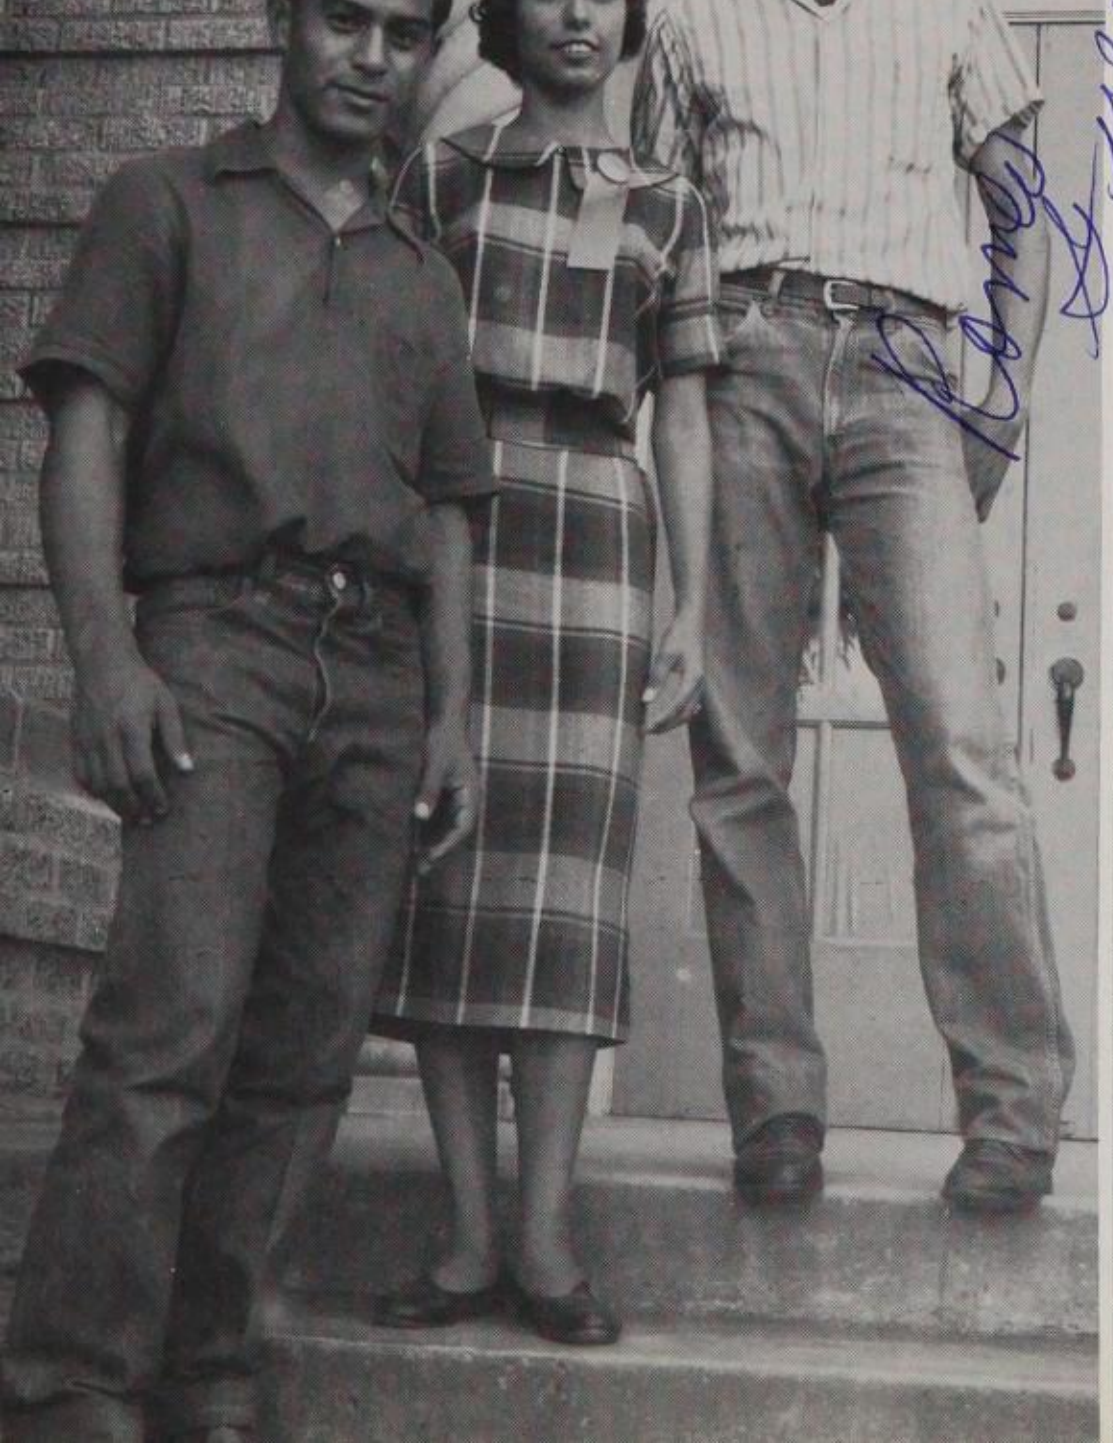
Council Plans Activities

Miller's senior class holds an organizational meeting soon after school begins. At this meeting officers of the senior class are nominated. Later in the week the officers are elected by secret ballot. Each homeroom then elects a representative who must maintain at least a B average. After the elections are held, Senior Council operations begin for the school year.

Familiar faces of the Senior Council members who sell ribbons with slogans on them may be seen every Thursday and Friday during football season. Another of the council's money-making projects is the traditional mum sale before the Miller-Ray game. They also sell pins for the Seniors of '60 and graduation announcements.

These proceeds are used to finance the senior play and the prom, and to give a gift to the school.

Senior Council members sell ribbons with slogans on them during football season in order to raise money.

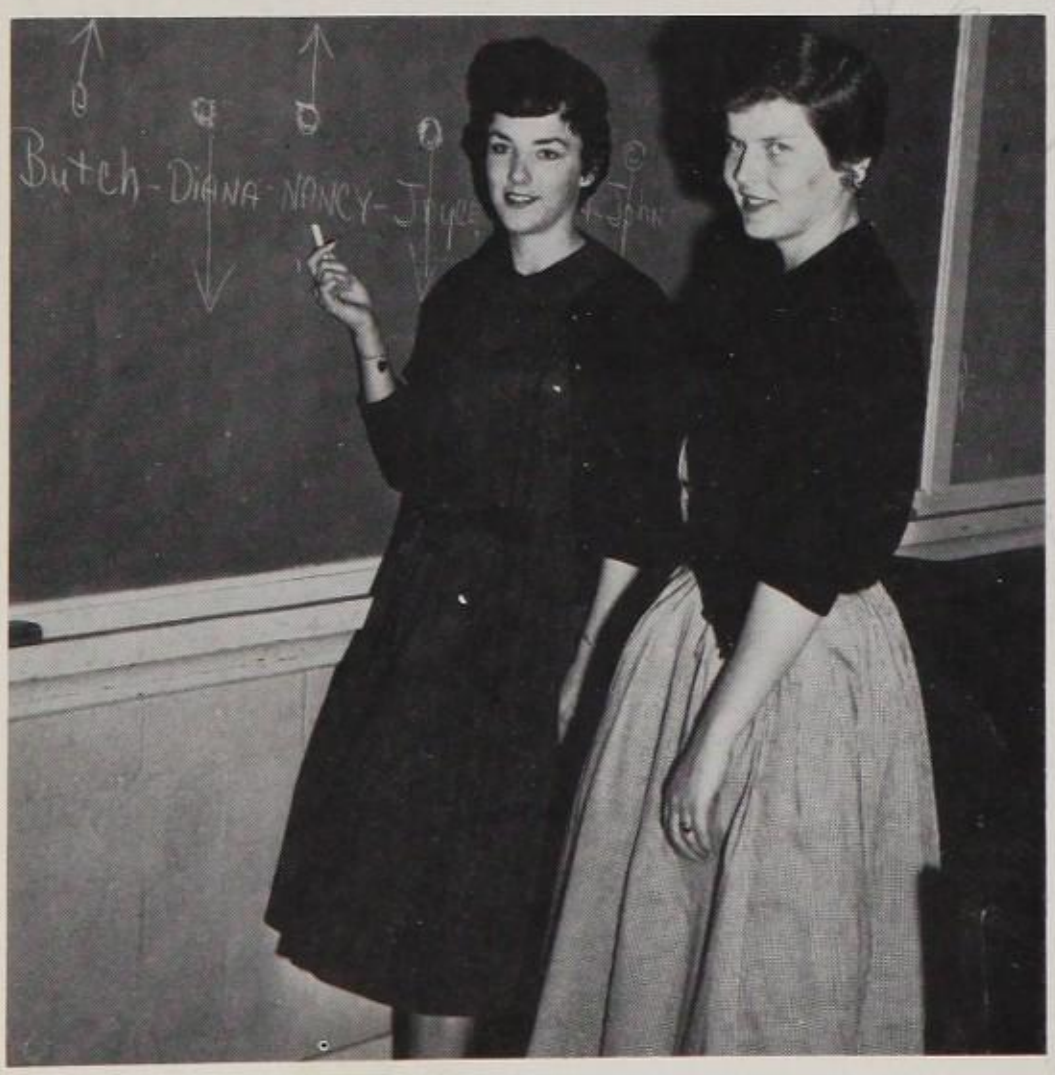


Class officers are Raul Garcia, president; Diane Trevino, secretary; Romero Guerra, vice-pres.

Mr. Lopez, class sponsor, contemplates business to be discussed at the Senior Council meeting.

Practicing diligently from the time of election until the last football game, the cheerleaders came to be a very vital part of the school spirit. A more unified school resulted from their leadership.

Cheerleaders Build Spirit



Each year cheerleaders are elected in the spring preceding the football season. Students who wish to try out for cheerleader spend the sixth period of the last six weeks learning the yells, which are taught by the cheerleaders and their sponsor. At the end of the six weeks, a few teachers are selected to judge the students who are trying out. Those who pass the judges try out in a special assembly which is held in the gym. Voting is done in homerooms by secret ballot.

Joyce Byrd, head cheerleader, and Miss Kay Hudson, this year's cheerleader sponsor, explain a yell to the other cheerleaders.

Diana Cavazos and Venita Sockwell are supported by Butch Bradley and Johnny Cravens, as Nancy Bedingfield and Joyce Byrd strike a familiar pose in the stadium.

During each Friday morning pep rally, we looked forward to the skits given by the cheerleaders. Here they show victory after capturing an Alamo Heights mule.

Sophomore Rally Club members pose in front of the school. **Row one:** Estelle DeSalme and Janice Edwards. **Row two:** Martha Booher, Nola Radke, Myrna Gunnels, Katy Malcom, Sandy Oswalt, Kay Anderson, Betty Johnson, Judy Dorsey, and Patricia Dickson. **Row three:** Barbara McMillan, Bebe Melton, Carol Bendendorfer, Martha Heineman, Billie McHorse, Barbara Joyner, Claudia Bremer, Connie Claus, Betty Becka, Suzanne Schaulis, and Diana Bremer.

Rally Club Adds Color

Sponsored by Miss Kay Hudson, the Rally Club is made up of 45 sophomore, junior, and senior girls, who sit together in a special section blocked off for them. This club was formed to add spirit and pep to the football season. For each home game, they performed stunts with the purple and gold flash cards. During football season, the girls hold regular meetings. At these meetings, they decided on the card stunts and carried on other business. For the Miller-Ray game, the Rally Club dressed in uniforms of white skirts and blouses and gold vests. These girls should be congratulated for having such a good club, and for giving their time toward providing color to each of the games.

Some members of the Rally Club, Estelle DeSalme, Suzanne Schaulis, Dawn Gandy, and Carol Benkendorfer, along with cheerleaders, Diana Cavozos, Nancy Bedingfield, Joyce Byrd, and Venita Sockwell decorate a car for the Wichita Falls car parade.

Junior and Senior Rally Club members pose in front of the school. **Row one:** Ellen McCaughan, Carolyn Alston, Linda Crofford, Gail Eggleston, Sharon Kutz, Vickie Kadanka, and Nancy Gootee. **Row two:** Mable Ann Gunn, Irys Denyer, Sally Cochran, Jeanette Ermis, Sandra Riley, Nancy Whatley, and Ann Gilpin.

to the Football Games

Rally Club officers distribute stunt cards and flash cards to the members at each football game. The officers are Sherry Lynn Walden, president; Harriet Wood and Ann Porter, card chairmen; Helen McMillan, parliamentarian; Fiona Ingle, vice-president; Jeanine Hart, secretary; and Myra Lee Bridges, treasurer.

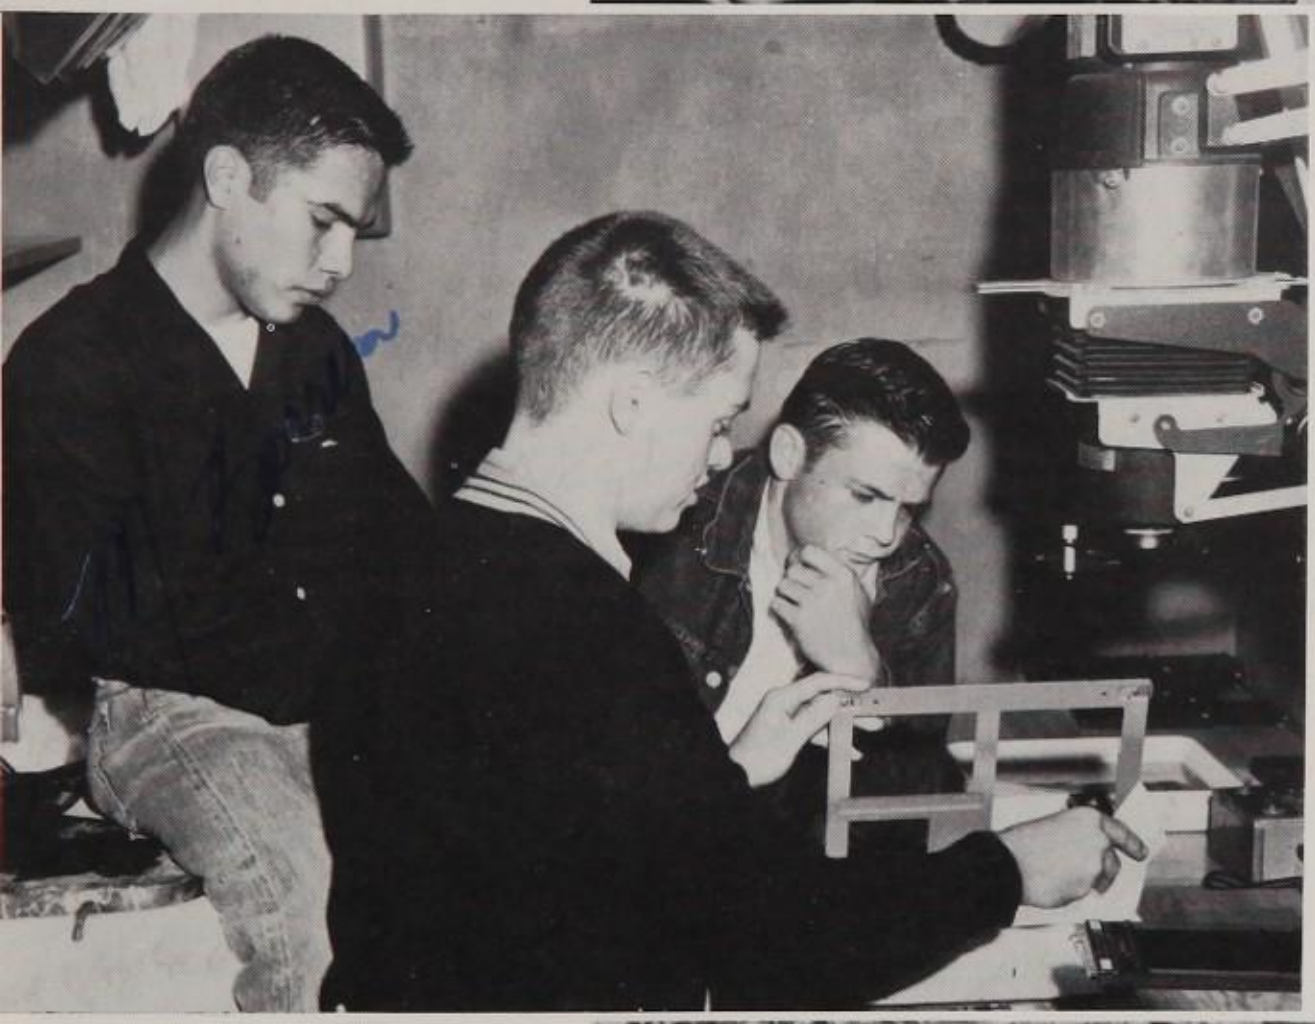
Deadlines Met By the Staff

One of the hardest-working organizations of Roy Miller High School is the Duffle Bag staff. Sponsored by Mr. Bob Hargrove, the twelve-member staff works tediously during sixth period, and many times after school, to meet the all-important deadlines. Among the many duties necessary to produce an annual are copy-writing, laying out pages, and picture-taking and developing. Every staff member is skilled in more than one of the tasks that must be performed. Co-edited by Joyce Jackson and Ellen McCaughan, the staff is continually striving for perfection so that everyone, including the yearbook judges, will be pleased with the 1960 DUFFLE BAG.

Sally Cochran, Linda Lowman, and Bobo Beynon study annuals from many different schools. Other yearbooks sometimes give valuable information to the annual staff members.



Richard Peters, John Lahmeyer, and Manuel Barrera are the staff photographers. Taking pictures, developing, and printing are all a part of the day's routine. They are shown here as Richard Peters explains the technique of printing a picture.

Beverly Shultz, Linda Hurley, and Virginia Robison prepare to make some layouts. Cutting pictures, drawing layouts, and pasting pictures are just a few of these girls daily duties.

Staff Meets Sixth Period

Checking some pictures for the next edition of the paper are Ray Sanchez and Mrs. Shackelford, sponsor of THE BUCCANEER.

During the sixth period every day, nine members of the paper staff work hard to produce the school paper, THE BUCCANEER. This year the staff is working on a cooperative basis. They are trying a new method of not having editors or managers. Their work includes writing stories, selling ads, laying out the papers, and proof-reading them. THE BUCCANEER is published every two weeks. Some of the most popular columns are Who's Who, Millerin' Around, Sports, and Fashion Corner. In the past the papers have been sold for five cents. This year the paper expenses are deducted from the homeroom fees.

Victor,
Best of luck to a real swell guy. Good luck with the Bucs next year.

Lowell Gaut, Penny Sue Vidar, and Judy Deaton work hard in order to get the next edition of the paper out on schedule.

Assisted by George Elledge and Joe Weaver, Terry Rahmier types an article for THE BUCCANEER.

Paper Informs Students

Woody Landry and Mary Hope Bronson work on important school news to be printed in the next edition of the paper.

Honey Seward, F.H.A. member, serves Miss Elizabeth Chenoweth, Area Supervisor, at an All-City meeting.

F.H.A. Stresses Better Living

To emphasize the importance of worthy home membership and to encourage democracy in home and community life is the purpose of the Future Homemakers of America. Home nursing, family relations, foods, clothing, and child care are included in homemaking classes.

In April the state convention is held in Dallas, and a girl from each of the four F.H.A. chapters at Roy Miller attends this meeting. Members of each chapter are from the classes of Miss Dena Eidson, Mrs. Pauline Henslee, Mrs. Carolyn Ponton, and Mrs. Joanne Bezinque.

Myrna Gunnels, president of the City Council of the Future Homemakers of America, presides at a meeting.

Officers of the Ruth Huey Chapter of Future Homemakers of America are Aurora Williams, Arline Meru, Pauline Meru, Sylvia Wilson, Rosa Galvan, Irma Urrutia, Vangie Salinas, Carolyn Crecy, and Mrs. Pauline Henslee.

Officers of the Marion Underwood Chapter of the Future Homemakers of America are Toni Torres, Lilia Torres, Pauline Arriola, Glenda Clawson, Sharon Bradley, Gloria De La Rosa, Angelita Arzuaga, and Mrs. Bezinque, sponsor.

Officers of the Ellen H. Richards Chapter are Esiquia Coronado. Dora Elizondo. Isabel Falcon, Martina Hinojosa, Fannie Madison, Cleo Campbell, and Miss Eidson, sponsor.

Officers of the Bayview Chapter of the Future Homemakers of America are Charlotte Andrews, Mary Jo Sanders, Eloisa Hernandez, Rachel Mendez, Irma Uresti, Linda Crofford, Adelina Carranza, Judy Bissett and Mrs. Ponton, sponsor.

F.T.A. Members Prepare For Careers

Club officers are: Madelyn Munoz, secretary-treasurer; Mable Gunn, president; Esmeralda Marroquin, vice-president.

In 1953 the Blanche King Chapter of the Future Teachers of America was organized and named in honor of Mrs. Blanche King, a former Miller teacher. Aims of this club are to help members learn facts about the opportunities of teaching in their locality, state, and nation, and qualities essential to a good teacher.

On the second and fourth Thursday of every month the Future Teachers meet. The meetings are planned by the executive committee on the first and third Thursday of each month. Projects of the club include substitute teaching when they are needed and attending District III meetings. This organization is sponsored by Miss Britt.

Members of the Future Teachers are, **Row one:** Soyla Martinez, Madelyn Munoz, Toni Arredondo, Diana Guzman, Mary Frances Martinez, Mary Lou Valdez, Esmeralda Marroquin. **Row two:** Nita Lanphier, Joyce Jackson, Sandra Johnston, Sandra Bruns, Mable Gunn, Mary Helen Leal, Bonnie Collins, Miss Britt, sponsor.

Future Nurses Do Charity Work

Learning about different health careers and nursing schools is the purpose of the Future Nurses. These girls, who are interested in nursing as a career, meet once a month. Some of their projects are addressing envelopes for Easter Seals and working on letters for the diabetic test. Programs consist of films and speakers from Spohn Hospital. Mrs. Carla Mae Woods is the sponsor of this group.

G.R.A., New P.E. Club for Girls

Organized only this year at Miller the Girls' Recreation Association provides opportunties for all girls to participate in a variety of sports, recreation, and related cultural and social activities. This contributes to their physical, mental, social, and emotional well-being and provides wholesome competition that promotes the ideals of sportsmanship, character, and health. Points are given for attendance at meetings and for aids in the P.E. department; the girls with the most points gets the higher award. Meeting every Wednesday after school, the members participate in many different sports under the direction of Miss Tyrrash, Mrs. Burket, and Miss Hudson.

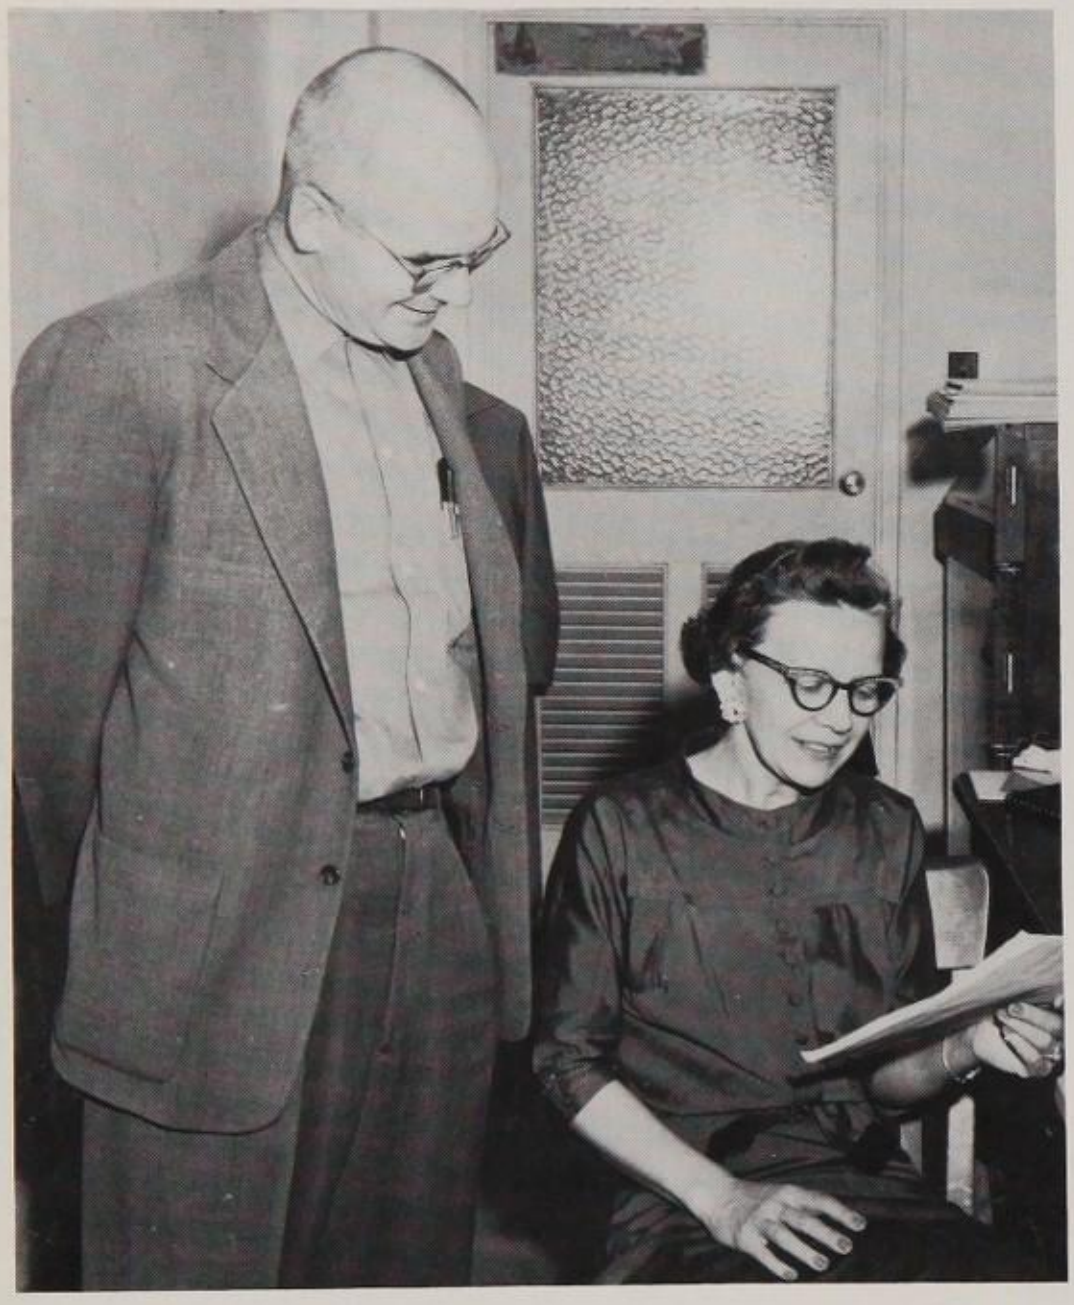
I.C.T., D.E. Train for Jobs



Distributive Education and Industrial Co-operative Training classes present many excellent oportunities for the student to obtain experience in the working world. Students who include D.E. and I.C.T. in their high school program are able to work as much as half a day. Besides gaining experience, D.E. and I.C.T. students learn what will be expected of them when they graduate from high school and advance to a full time job. D.E. and I.C.T. also offers the student a chance to find the trade at which they are most suited to work. By holding a part-time job, young people are able to earn money which many of them will use to attend college. Under the direction of Mr. James J. Cosgrove, the I.C.T. students work in the field of industry and technical skills, while D.E. students, under direction of Mrs. Josephine Gilbert, work in the selling field.

Mr. Jim Cosgrove, I.C.T. Co-ordinator, and Mrs. Josephine Gilbert, D.E. Co-ordinator, go over training reports in their office.

Bucs Face

This year's edition of the Roy Miller High School Battlin' Buccaneers completed one of the toughest schedules ever faced by a Corpus Christi team. Such names as Wichita Falls, Thomas Jefferson (San Antonio), Midland, and Corpus Christi Ray comprised part of the tough schedule the Bucs faced.

An early season defeat by Alamo Heights of San Antonio took no steam from the churning locomotive of the Bucs as they fought and captured victory after victory. The only other defeats came at the expense of the top two teams in the state, Wichita Falls and Ray, the latter cost them the District 14AAAA Championship.

Their never-say-die attitude won them a spot in the heart of every Buc fan.

First row: Victor Gonzalez, John Erickson, Bill Walker, Raymond Gonzalez, Philip Gonzalez, Morris Wilson, Jack Pratt, Marvin Kenedy, Louis Rodriguez, Ray Tamez. **Second row:** Willie Adams, Larry McLaughlin, Ramsey Muniz, Arturo Delgado, Isidor Moreno, Johnny Herrera, Gabriel Riveria, Leonard Lytle, Bobby Cruz. **Third row:** Bobby Smith, James Johnson, Ray Donaldson, Edmund Garza, Clifford Newbauer, Gene Traynham, Buck Jones, Stephany Lott, Charlie Noack, Robert Robinson. **Fourth row:** Lonnie Taylor, Eddie Flores, Danny Shobe, Lupe Villarreal, Fred Henderson, S. E. Jones, Kenneth Tuggle, Jimmy McHorse, Johnny Roland. **Fifth row:** Jim Tucker, Bennie Patton, John Paul Jones, Jimmy Skinner, Maxie Blackmon. **Coaches:** Gilbert Herrera, Dusty Simmons, Pete Ragus, Bill Hooper.

Bucs Beat Knights 34-7

Kenneth Tuggle blasted through the middle of the Knights' line and plowed seventy yards to begin Miller on its 34-7 massacre of McCallum. The outcome of the game was never in doubt as the Bucs showed brillance of the previous year when they advanced to the state semi-finals.

Fancy-legged Bobby Smith blasted for two quick touchdowns as the Bucs built up a 20-0 lead in the first quarter. A nineteen yard pass from Jimmy McHorse proved the clincher as the Bucs were not to be denied. Reserves filtered into the lineup throughout the remaining three quarters of the game.

Mules Stun Bucs 33-16

The Alamo Heights Mules of San Antonio used two successful on-sides kicks as a springboard to a stunning 33-16 up-set victory over the Miller Bucs. The first two Mules' touchdowns resulted from these on-sides kicks. Heights made it 20-0 at half time on a recovered fumble inside the Miller twenty yard line.

The Bucs were fighting right back in the second half. The lead was cut to 20-8 on a stimulating sixty-seven yard gallop by Bobby Smith in the third quarter. Kenneth Tuggle plunged through tackle for forty-three yards and the final Buc score with only four minutes left in the game.

Bucs Wack Owls 25-0

Miller High School's Battlin' Bucs unfurled a fleet of hard-running, swift backs that lashed a vicious ground attack which tore up Highlands of San Antonio for their second victory in three starts.

Speedster Bobby Smith and bruising Kenneth Tuggle were the chief architects in designing the Miller victory pattern. Smith carried only seven times for seventy-two yards; Tuggle, fifty-one yards in nine gallops, and Jimmy McHorse and Johnny Roland rolled up figures of eight for thirty-eight, and three for sixty respectively.

Bucs Upset Tigers 28-14

Miller unfurled a strong upset in Waco when they downed the previously undefeated Waco Tigers. The Buccaneers jumped into a 20-0 half time lead and then had to stave off a belated rally by the Tigers in the second half before scoring their fourth and game-clinching touchdown in the final period.

Halfback Bobby Gene Smith again led the Buc attack, but the swivel hipped halfback got lots of help from Ray Tamez, filling in for the injured Tuggle at fullback. Both Smith and Tamez gained eighty-three yards to share ball-toting honors for the Bucs, Smith, in ten trips and Tamez, in thirteen.

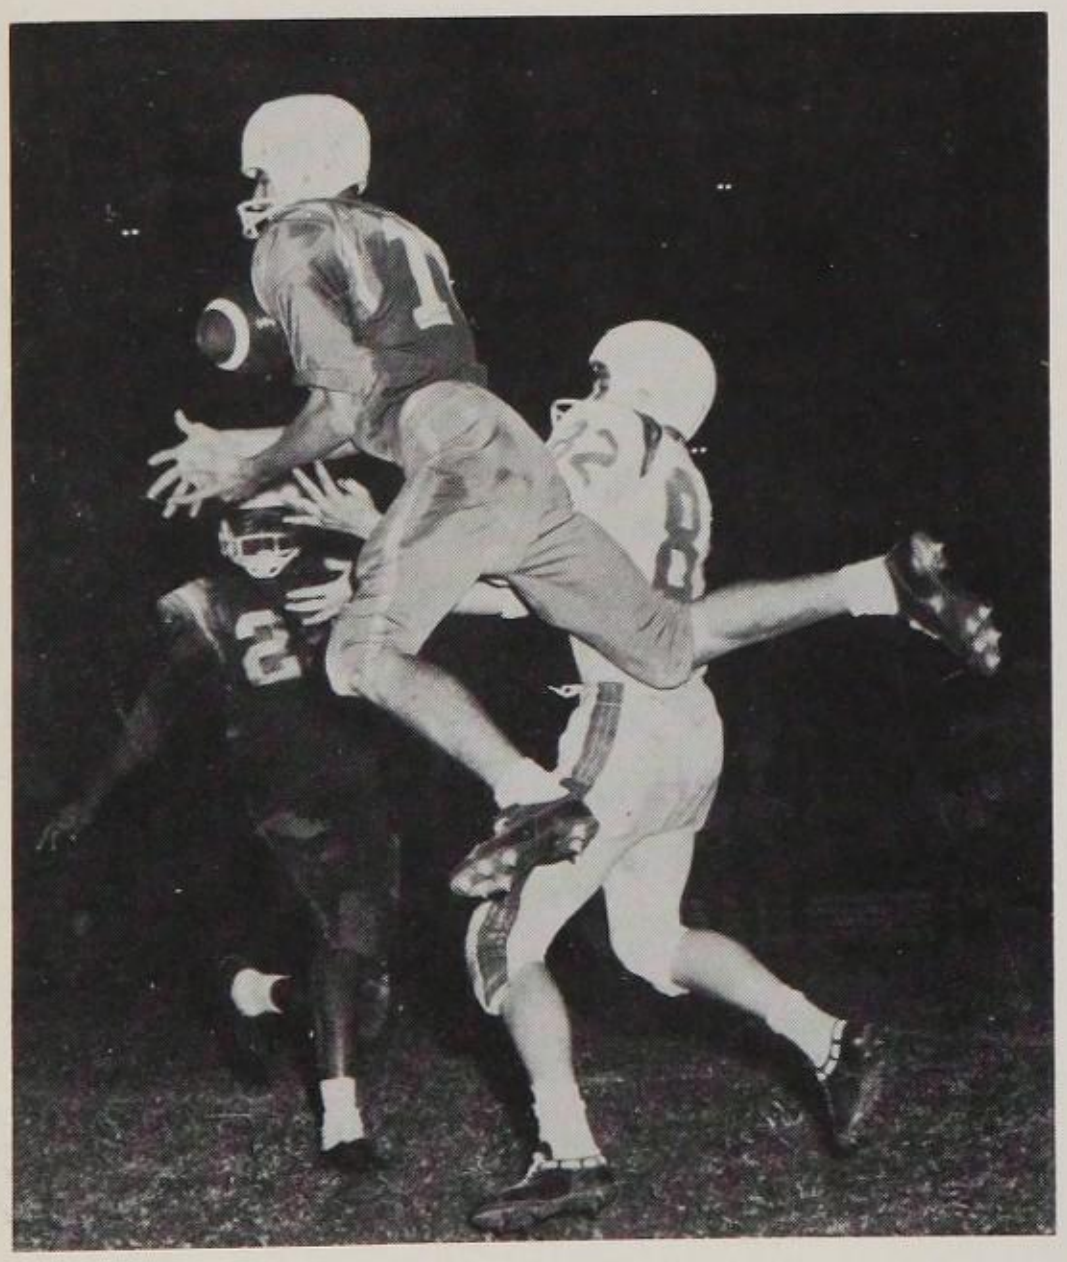
Miller Tears Midland 22-16



Miller blew a 16-point lead, scored in the last quarter and then fought off Midland for a 22-16 victory. The Bucs slammed over sixteen points in the first two quarters and then the Bulldogs took over almost complete control.

Big Buc fullback Ken Tuggle broke through the middle, veered a little to his right, skipped out of the arms of one tackler and scooted forty-nine yards for a touchdown to break a 16-16 tie midway in the fourth quarter.

Bobby Smith accounted for the first two Buc touchdowns with a blast of eight yards and a beautiful fifty-one yard dash over right tackle.

Miller's ulcer-gulched Buccaneers pulled another thriller-diller as they stood off constantly dangerous Jefferson 7-6.

A crowd of slightly over 5,100 were on their feet almost continually through a slam-bang second half of a game in which Miller's victory was not decided until a Jeff field goal try missed after time had run out on the clock.

Bobby Smith was the big gun for Miller with one-hundred and nine yards in nineteen tries, and Lonnie Taylor kicked the crucial extra point.

The staunch Roy Miller defense swarmed all over Thomas Jefferson's running game and stopped the highly-heralded Hix Green with only fifty-seven yards rushing in nine tries. Jefferson wound up with only one-hundred and eight yards on the ground, sixty of those by reserve player Willie Paschal.

Edmund Garza's ankle is securely taped by Coach Hooper. Many rolls are used each season to tape bad ankles.

Coach Simmons shows off one of his many skills by taping James Johnston's ankle. This precaution prevents injuries to many Bucs.

Bucs Scare Coyotes 19-14

Bobby Smith put on a great show at Buccaneer Stadium, but the opportunist Wichita Falls Coyotes turned the tables on the Miller Bucs, 19-14, before a crowd of 14,000 wildly cheering fans.

Smith rumbled for two hundred and twelve yards against the rugged Coyote defense in twenty-two carries and scored both Buc touchdowns on runs of seventy three and one yards.

His seventy-three yarder was perhaps one of the most scintillating runs ever seen at Buc Stadium. This gallop came late in the second quarter after the Coyotes had scored only minutes earlier for a 6-0 lead.

At half time the Bucs held a 7-6 edge. Three costly fumbles hurt the Bucs in the second half. The Bucs played a great game and the game was termed a moral victory by players and coaches alike. Junior halfback Johnny Roland, playing one of his better games, picked up seventy five yards in twelve carries for the Bucs.

Bucs Trip Carroll 14-6

Underdog Carroll, playing its most inspired game of the season, extended Miller to the limit before yielding a 14-6 decision to the Buccaneers in front of an enthusiastic crowd of 7,500.

The Bucs grabbed a 7-0 lead late in the first quarter on a fine forty yard run by the great Bobby Smith, but the little Tigers were not to be denied as they got back into the ball game with a touchdown in the second quarter. Both teams were fighting hard.

A 7-6 Miller lead was held when, with seven minutes to play in the game, Jimmy McHorse sneaked over from the one. Smith once again was the top ball carrier — the tall halfback zipping for one-hundred and four yards in thirteen carries. He was followed by Johnny Roland with eighty-one yards in twenty-one trips and quarterback McHorse with seventy in twenty trips.

The Texans started the scoring with a sustained drive that found Max Derden plunging over from the one for the first touchdown. Miller drew second blood on the heralded Ray defense as John Roland blasted over from inside the ten yard line. The Bucs lead for a moment when Lonnie Taylor kicked a perfect extra point. The point was crossed out when Miller was offsides.

Intercepted passes was the downfall of a powerful Miller attack. The Bucs gained two hundred and thirty-five yards rushing against the Ray first stringers—more than any other team had been able to muster

Bucs Bop Bobcats 39-20

Bobby Smith and his Miller teammates shocked Edinburg with four quick touchdowns at Buc Stadium, then went on to tame the Bobcats 39-20 before a slim crowd of 4,500 fans who watched the District 14AAAA "consolation game" between the second-place finishers in the North and South zones.

Smith registered the first four touchdowns to run his season point total to one hundred and four points. He scored on runs of one, two, sixteen, and eight yards. He carried the ball only once in the second half.

Bucs Cop District, Bow to Austin

The Battlin' Bucs of Roy Miller certainly lived up to their name as any loyal Buc fan will tell you. Their season record of 21-10, with most of the losses coming at the expense of top teams in the state, proved their worthinessness of being the top team in District 14AAAA.

The Battlin' Bucs started slowly and then seemed to reach their peak as they captured the C. C. Invitational tournament with apparent ease. They then fell into a brief slump until district play when they swung into blazing action.

The Bucs continued their winning ways until they ran into the Austin Maroons. The bi-district game with Austin was a heart breaker, 47-46. This Austin team rolled up three straight victories after clipping the Bucs and found themselves nosed out by a five point margin for the state championship of AAAA.

Bucs, Tigers Split Thrillers

MILLER 40 **CARROLL 45**

Carroll beat the Bucs in the district opener for both schools, 45-40. The Tigers started the evening as though they might chase the Bucs back to the west side of town,

The Tigers scored ten points before the Bucs knew what was happening. The first quarter ended with the Carroll Tigers setting the pace, 14-6. The Battlin' Bucs then slammed in 15 points in the second quarter to hold a 21-20 half-time lead.

MILLER 62 **CARROLL 53**

The Battlin' Bucs took a firmer grip on the District 14AAAA lead with a hard-earned 62-53 victory over the Carroll Tigers. It was the sixth win in seven district starts for the Bucs and it revenged the lone loss on the Buc ledger in district competition. The Bucs raced to a 17-13 first period lead and steadily increased the margin. Henry Williams with 20 points and Billy Howell with 18 joints led the balanced Buc attack.

MILLER 42 **McALLEN 38**

The Battlin' Bucs edged past the McAllen Bulldogs in an overtime thriller for the first District 14AAAA victory, 42-38. The regulation games ended in a 36-36 stalemate, but the Bucs pulled the game out in the first overtime. Henry Williams, who led the Bucs with 18 points, opened the scoring for Miller in the overtime with a free shot. Williams then hit a field goal and Bobo Beynon a fielder to complete the scoring.

MILLER 50 **McALLEN 54**

McAllen reversed the tables on a tired band of Buccaneers by winning 54-50, an exact reverse of their last meet which also was an overtime affair. The loss enabled the Bulldogs to pull into a tie with the Bucs. Both have identical 6-2 records. Billy Howell led the Bucs with 12 points.

MILLER 58 **HARLINGEN 54**

The Bucs knocked off Harlingen's last minute, fourth period rush to take out a 58-54 victory over the Valley team.

Miller jumped to a 15 point lead in the second period, lost most of it in the last half and then were hanging on the ropes at the close of the contest. Harlingen's last minute rush almost created an upset.

Tony Gallardo with 15 points was high for the game for the Bucs.

MILLER 51 **HARLINGEN 49**

Miller clinched a tie for the District 14AAAA title with a 51-49 victory over Harlingen.

Miller trailed all the way until the last minute of regulation play when Henry Williams hit a field goal to tie the game, 45-45, and send it into an overtime.

Harlingen led 14-8, at the end of the first quarter and held on for a 26-24 halftime lead. Harlingen kept its two point margin at the end of the third quarter, 37-35. Tony Gallardo and Williams led the Bucs with 13 and 18 points respectively.

MILLER 47 **RAY 37**

A stirring finish by Miller enabled the Bucs to defeat Ray. The Bucs led by only three points after three quarters, 27-24.

Ray never got closer than four points of catching up with the Battlin' Bucs in the final period.

MILLER 51 **RAY 35**

Miller won its third District 14AAAA championship in a row by lashing Ray, 51-35, with a last half scoring binge, before a sellout crowd of 1,200 fans.

The two clubs battled on even terms in the first quarter. The Bucs held a 19-16 halftime lead and increased it to 35-24 as the last quarter began. In one spurt the Bucs made 12 points while holding Ray scoreless.

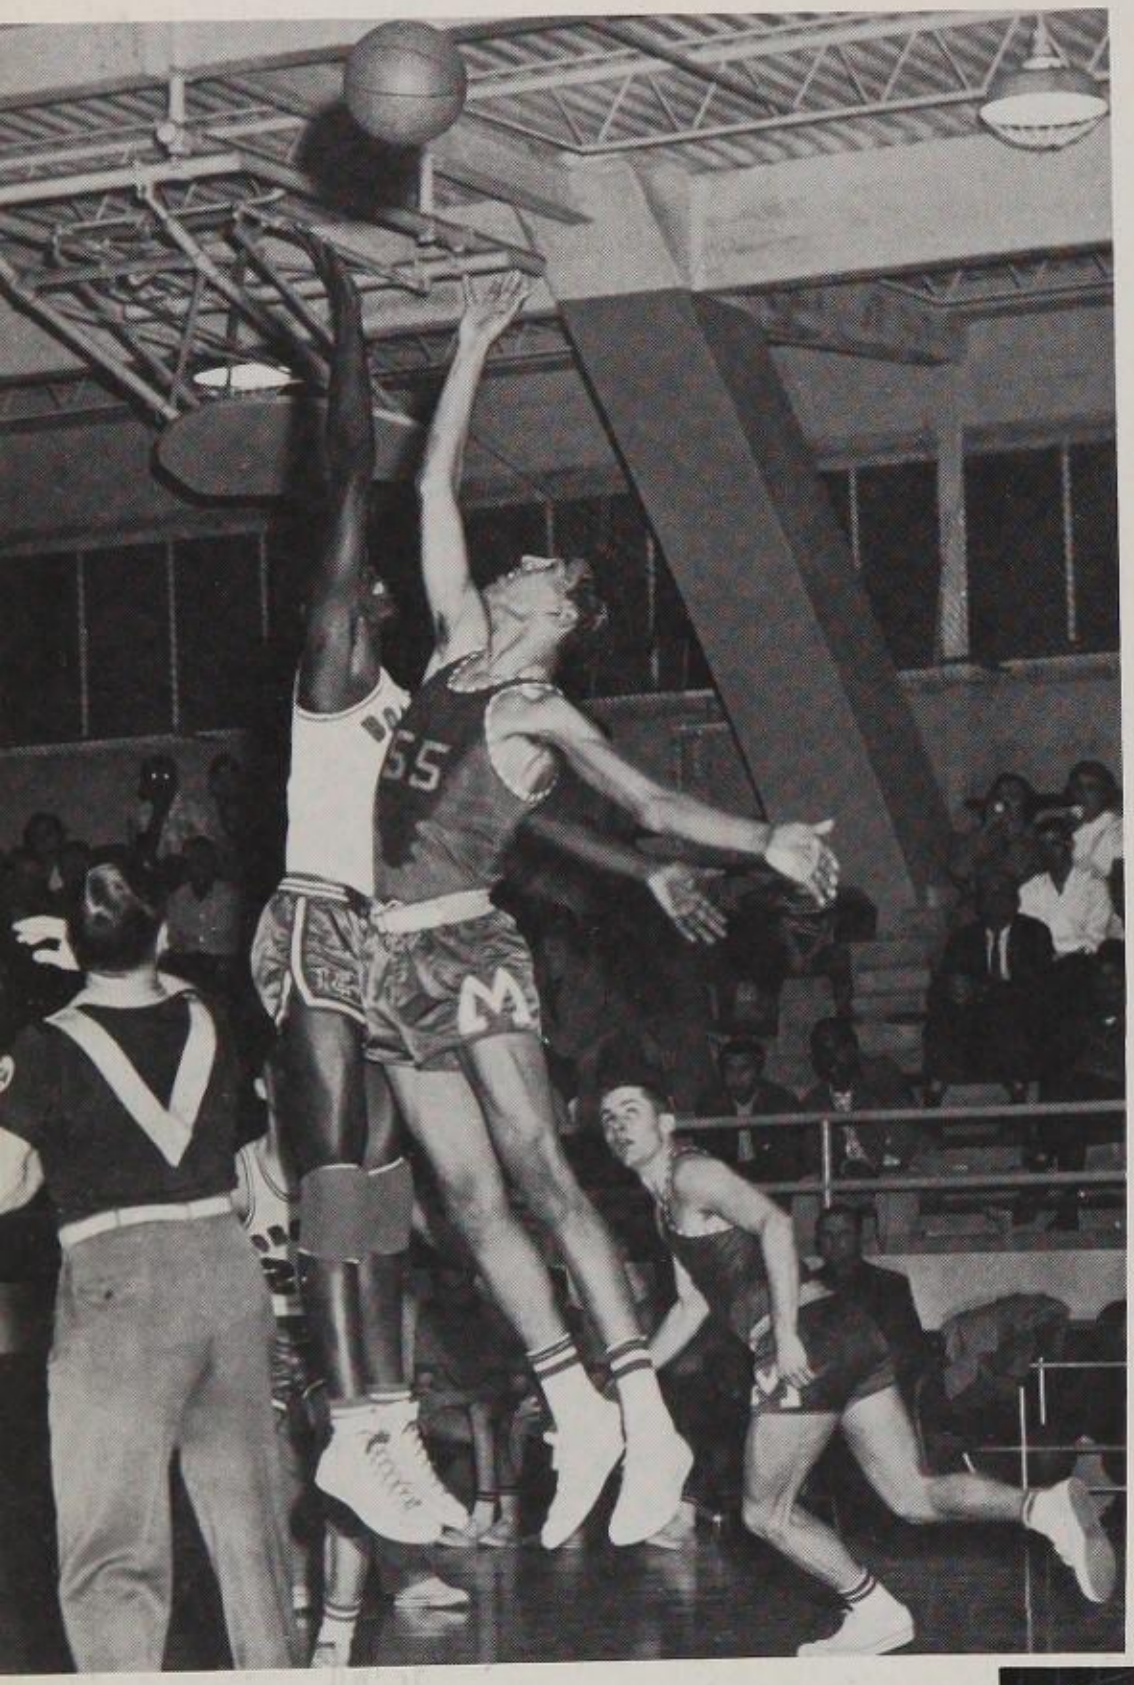
Bucs Edged by Austin . . . . Again



MILLER 46 **AUSTIN 47**

A stirring fourth quarter comeback by the Miller Buccaneers fell one point shy as the Stephen F. Austin Maroons captured a 47-46 bi-district thriller at McCallum Gym in Austin. The defeat was harder to realize for the Bucs because just one year before in the same gym against another team from Austin the Bucs were beaten and knocked out of the state basketball playoffs.

The Bucs went into the final quarter trailing by 11 points but they surged back to scare the "living daylights" out of the Maroons and the capacity crowd of Maroon fans. Two field goals by Wayne Hamilton and one by Billy Howell sliced the Maroon lead to 37-32 after only one and a half minutes gone in the final period. The Bucs pulled closer but the Maroons were not to be denied as they hung on for dear life to take out a 1 point decision over the travel weary Bucs.

Henry Williams led the Bucs with a whopping 24 points, high for the game.

Bucs Bobo Beynon, Wayne Hamilton, and Tony Gallardo wait for the ball.

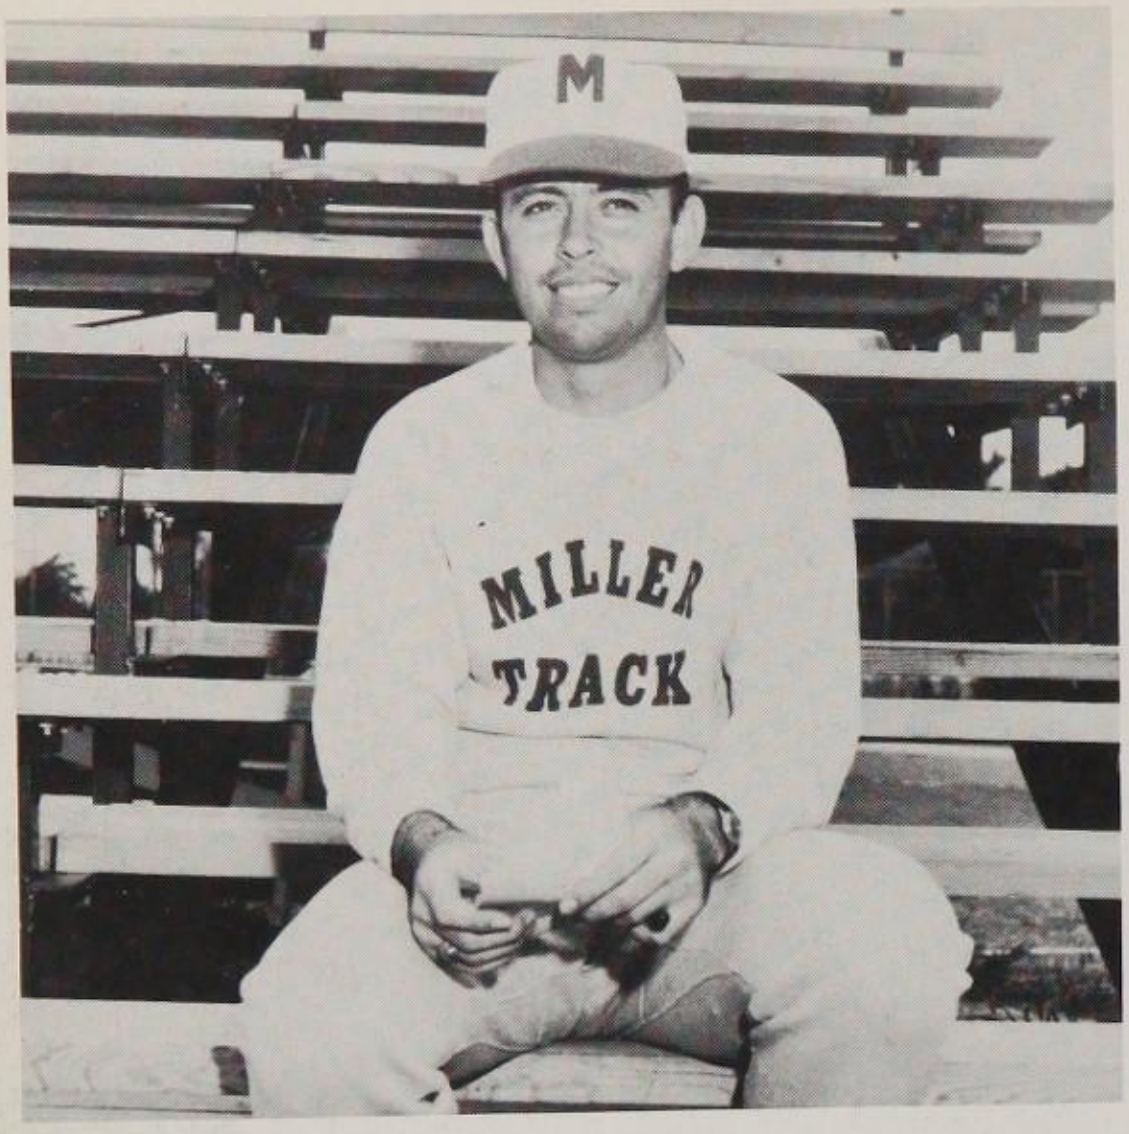
Hard Working



Coach Neely spends many hours working with the Miller track team.

The Miller track and field team is coached by Mr. John Neely. In his second year as head track coach, Coach Neely has produced outstanding teams. This year's team stacks up to be a strong district contender with outstanding timings in pre-district meets. The Bucs took second in the high school division on the all-powerful Border Olympics held in Laredo in March. Led by a strong relay team and crackerbox Bobby Gene Smith, the team racked up three firsts in the Laredo meet. Smith won the 100, 220, and anchored the relay team, all which ended in firsts for the Bucs.

Members of the Track Team are, **Row one:** Nicki Morrow, Billy Dries, Abel Salazar, Valentin Yanez, Joe Anzualda, Lorenzo Ortiz, Romeo Garcia, Robert Tamez, Joe Longoria, Tony Marquez, Eddie Bazaldua. **Row two:** Joe Caranza, Bobby Smith, Valentin Maldonado, Henry Houser, Kenneth Tuggle, Louis Ortega, Ray Ortez, James Jennings, Robert Robinson. **Row three:** Romeo Guerra, Willie Adams, Ramon Gonzales, Philip Gonzales, Mauro Gonzales, Bonifacio Gonzales, Claude Abel, Danny Falcon. **Row four:** Charles Olson, Saul Jimenez, Lonnie Taylor, Gerardo Ayala, Joe Hasette, Victor Gonzalez, Albert James, Roosevelt Porter, Coach Neely.

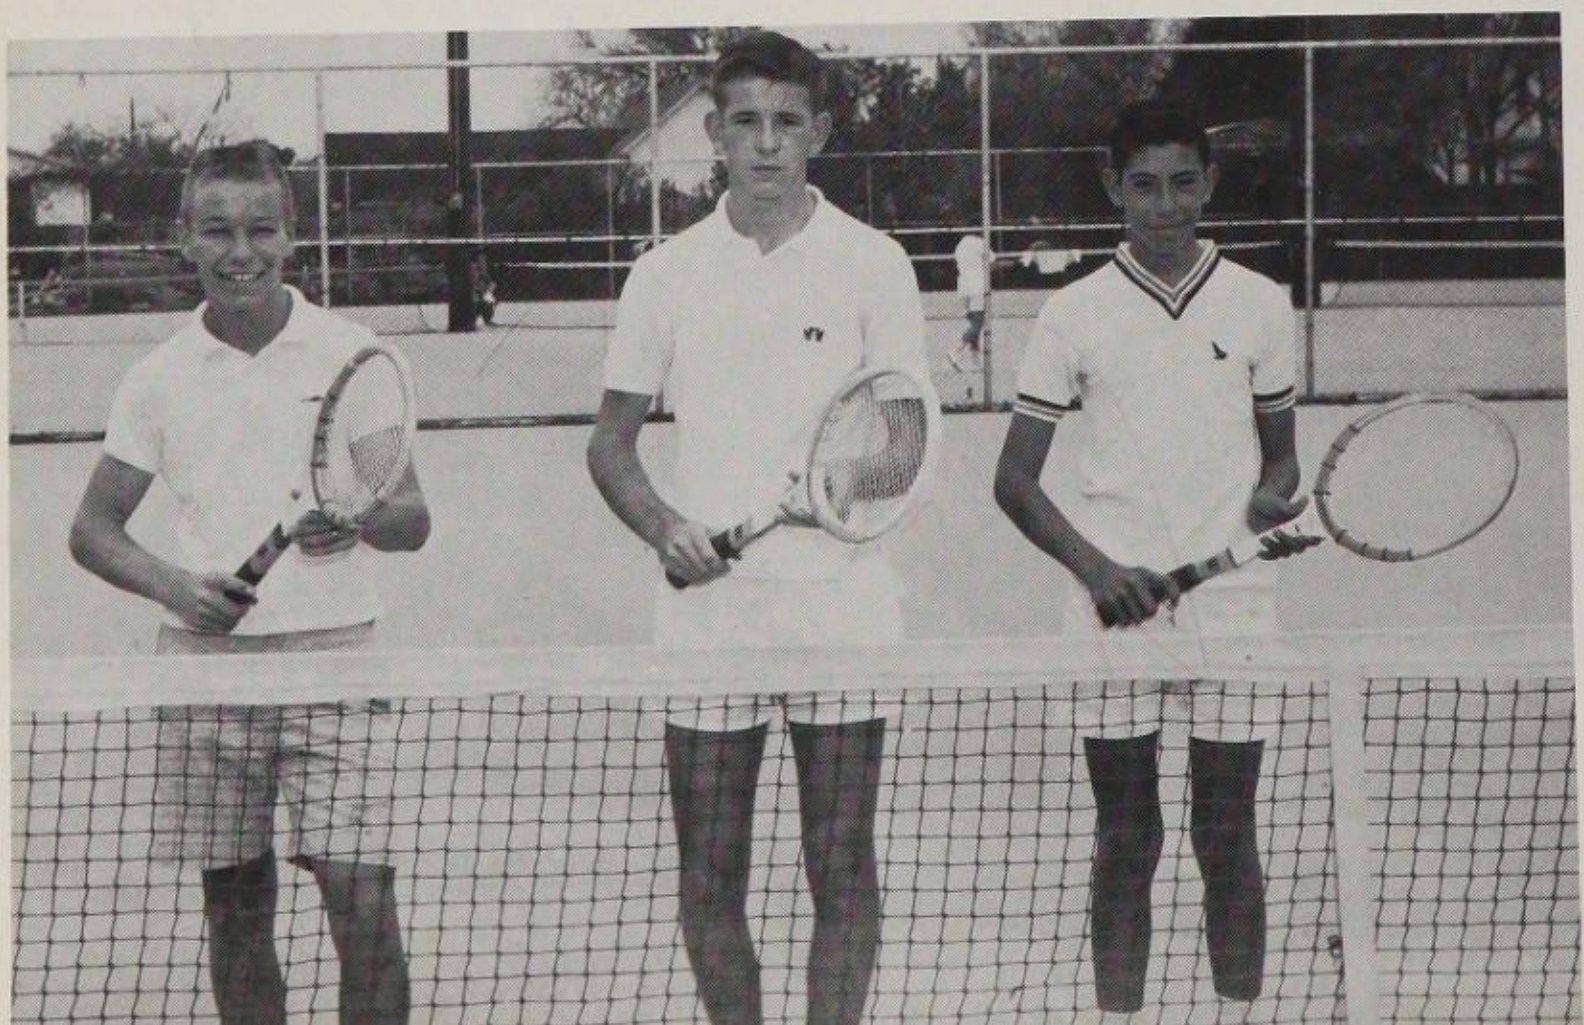
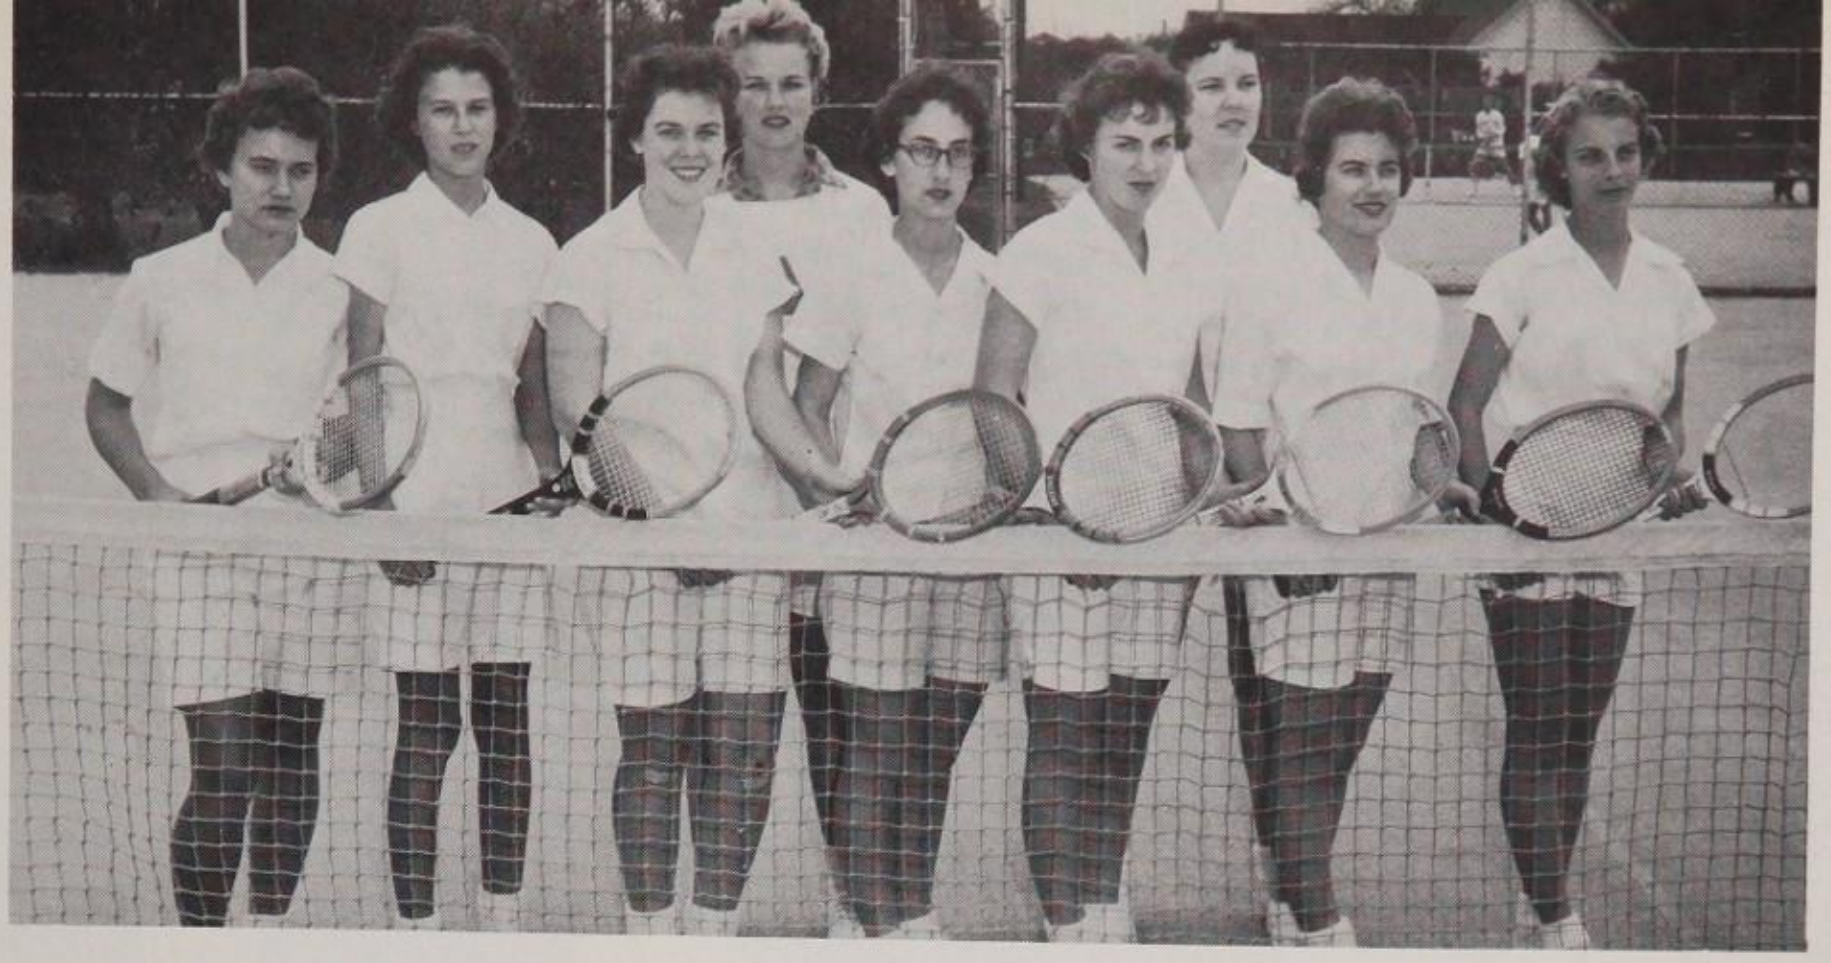
Tennis Team Works

Miller's tennis team, coached by Gilbert Herrera, is rated as a good possibility to cop the district championship. Lead by seniors, Ricky Holiday, Joe Pompa, and Roger Cummings, the Bucs boast a strong potential. A heavy schedule is on tap for the team as they play a tough district race. The Bucs opened by playing in the Corpus Christi tournament in November and then proceded to play the following games: Edinburg tournament in December, Falfurrias and San Antonio in February, Austin in March, District, Zone, and Regional in April, and the state tournament in May.

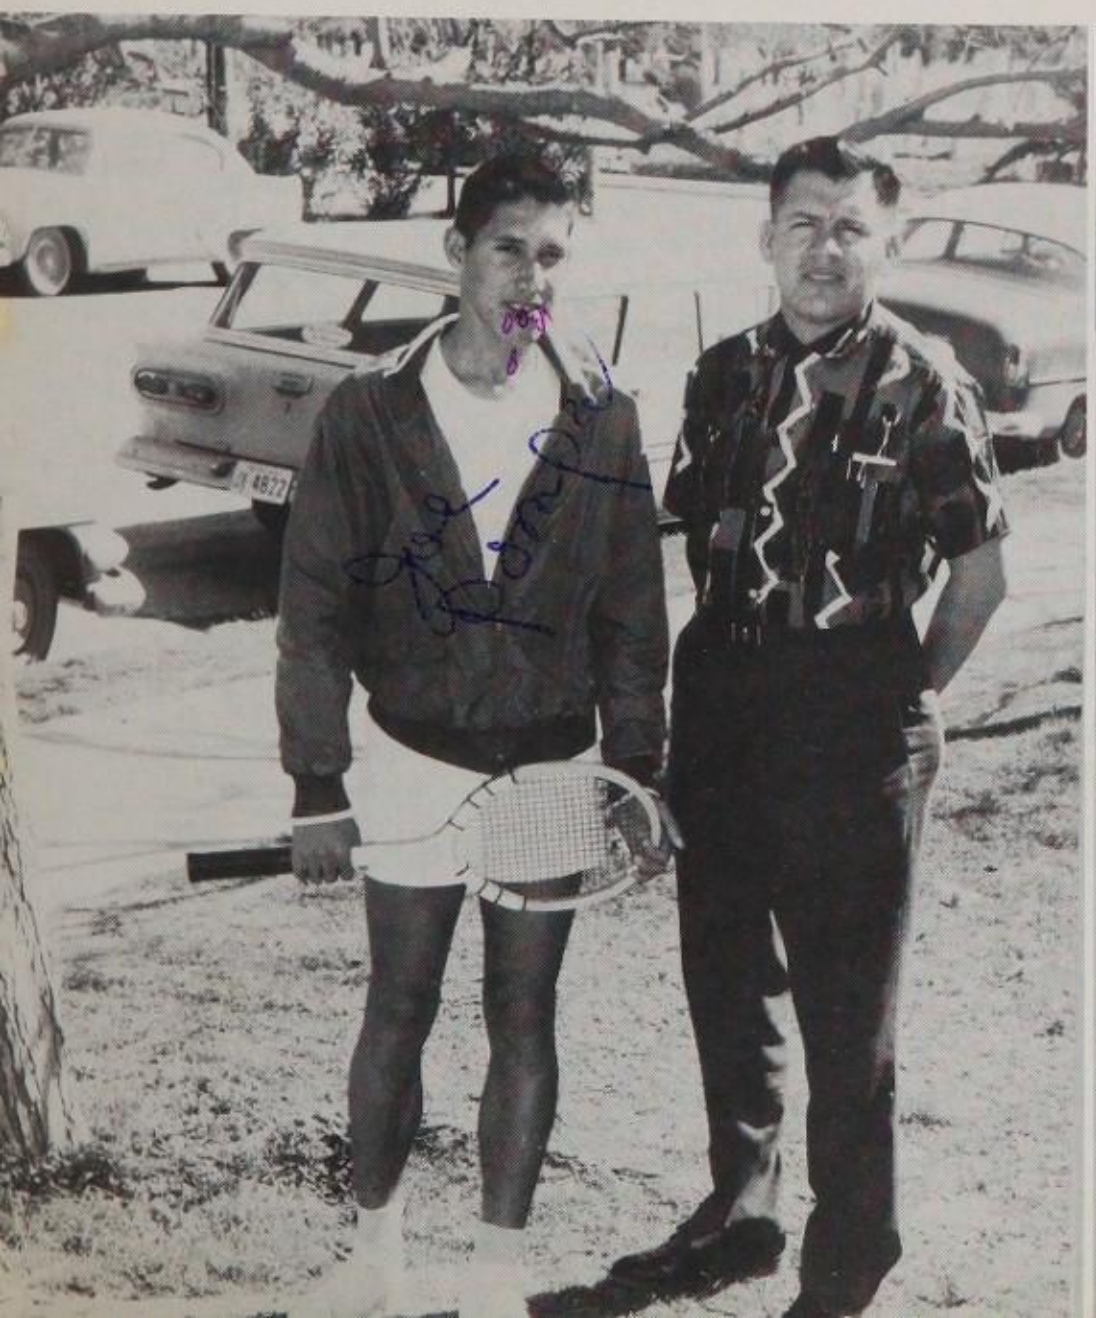
Pictured below are Butch Bradley, Roger Cummings, and Ama Garcia. The picture was taken at South Bluff Park.





Members of the girls' section of the tennis team are Diane Warnke, Sharon Brown, Janet Avery, Pam Ehlers, Nelda Bennett, Linda Hiner, Sandy Cryer, Janice Gore, and Linda Creel. The girls practice daily.

To Accomplish Goals



Gilbert Herrera, Coach of the tennis team, is shown below with singles player, Joe Pompa. This is Herrera's second year as tennis coach of the Bucs. A good year is expected.

Linda Creel, Miller junior, is shown swinging her racket in an attempt to return the ball. This is Linda's second year on the team. Linda is expected to prove valuable.

Bowling club officers are: Ray Wolf, Terry Rahmier, Judy Lytle, and Johnny Kirby.

Hoping for a strike, Terry Rahmier rolls the bowling ball down the lane.

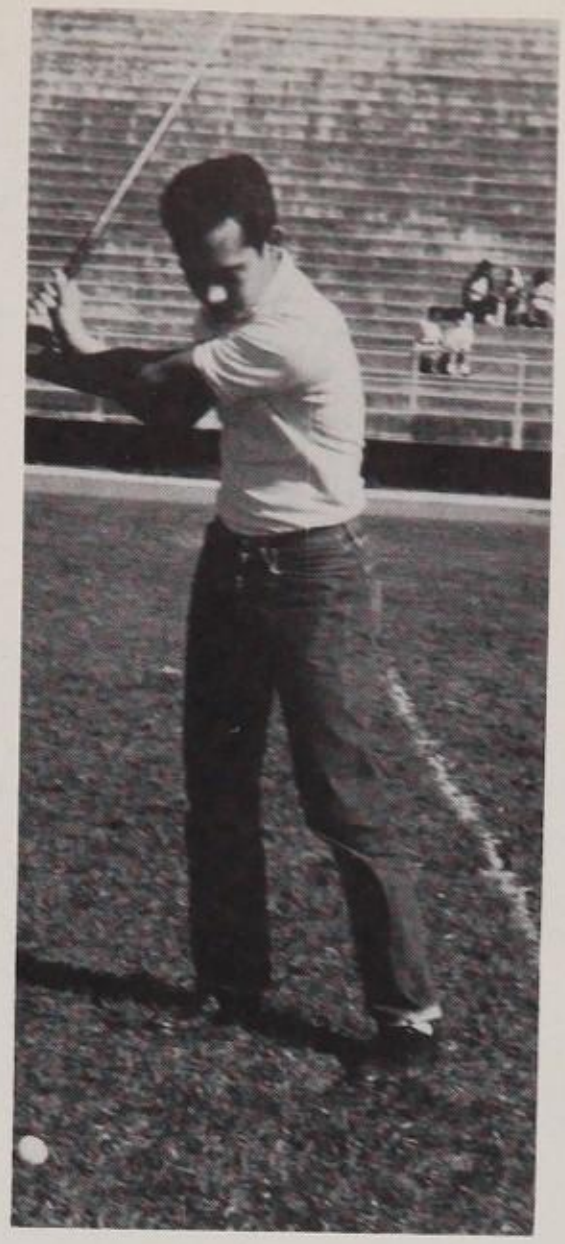
Bowlers Enter Tournament

On every Thursday the Buccaneer Bowling team meets at Ayers Bowling Lanes. During each meeting the members bowl two games. The bowling lane in cooperation with the schools provides special rates for the bowlers. All of the Miller students belong to one league and the league is divided into several team groups. During practice session, the teams bowl against each other. Tournaments play an important role in the club activities.

Members of the bowling team are, **Row one:** Woody Landry, Ceretha Carter, Sandy Cryer, Johnny Kirby, Sandra Johnston, Chris Peña. **Row two:** David Vogler, Clayton Roth, Ray Wolf, Terry Rahmier, George Elledge, Lowell Gaut, Lynn Smith. **Row three:** Alvin Messemer, Bill Bates, Bobby Lewis, Mickey Sweeney, Dewayne Sanders, Mike Luby.

Golf Team Practices Daily

During sixth period each day, any empty spot of ground may become a practice tee for the eight members of Miller's golf team. The team coached by Mr. Sam Stokes practices all year at school and at the Corpus Christi Country Club preparing for the tournaments and matches which they enter during the spring.



Victor Herrera takes a warm-up with his woods getting ready to tee off when the team gets to the Country Club for a match.

Chipping with a nine iron is part of Lowell Gaut's practice before leaving school for the golf course.

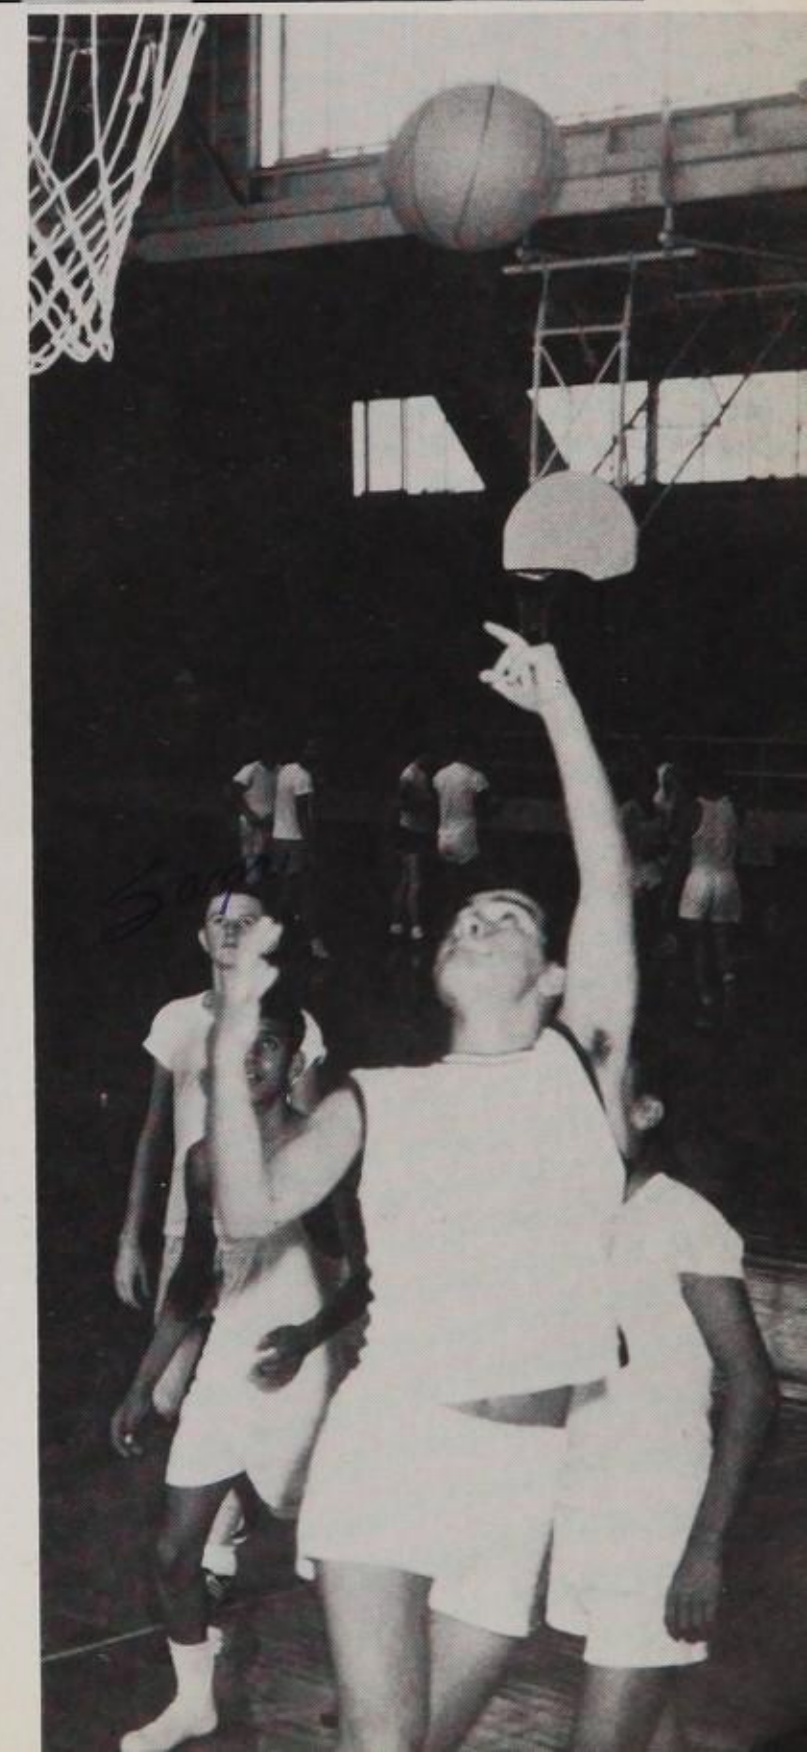
Joe Weaver, Julian Hernandez, Joe Villanueva, Santiago Calderon, and Henry Smith wait as Coach Simmons instructs Louis Gonzalez.

Physical Fitness Stressed in P.E.

Miller's physical education program is under the direction of head coach Pete Ragus. It is a program which is disigned to help Miller students remain in good health, both by eating the proper foods, and by exercising correctly and often.

Calisthenics are taught, and several sports, including baseball, basketball, volley ball, and tennis, are offered. At least three credits in P. E. are needed in order to graduate; four may be taken.



Paul Martinez tries a jump shot, while both his teammates and opponents wonder if he'll make it.

Who's Who . . .

Various honors and awards are presented each year to students who have shown outstanding qualities of leadership, of personality, or of athletic or scholastic abilities. These awards are presented both by student organizations and by civic groups. Students who have held important jobs at Miller also have been recognized and included here.

Nominees

Seniors

Jeanne Maurer has been a class favorite nominee for the past two years. She is a member of Amistad Y-Teens and president of Segovias, and this year is the Roy Miller Student Council president.

Joyce Byrd was elected class favorite in her sophomore year and was a favorite nominee last year. Joyce has been a cheerleader for the past two years and this year was chosen as head cheerleader. She belongs to Tawanka Y-Teens, and is vice-president second semester this year.

Rose Marie Rivier is known and well liked by many seniors through her Student Council work. Rose has been a member of the Miller council for the past two years, and served this year as vice-president.

Officers

Sherry Lynn Walden was this year's **Rally Club President.** She is a member of Peradus Y-Teens and this year served as vice-president.

Linda Crofford has been **Head Twirler** for the past two years. Linda is a member of the Rally Club and Senior Council, and this year was chaplain of Amistad Y-Teens.

Joyce Jackson has served on the Duffle Bag staff for the past two years, and this year was chosen as a **co-editor.** Joyce is a member of the Peradus Y-Teen club.

Ellen McCaughan was **co-editor** of the Duffle Bag this year. She was Miller's D.A.R. award winner, and is a Merit Scholarship finalist. Ellen is a member of the Rally Club and of Peradus Y-Teens.

Honorees

Norma Lozano is this year's **Basketball Queen.** She is also an active member of the D.E. club.

Honey Seward was honored twice this year. She was selected by the Senior Council as **Lantana Duchess** and was elected class favorite.

Mary Mayorga is this year's **Basketball Duchess.** She belongs to the Hi-Fairneessee Girls' Club and has been a Student Council member.

Jeanene Hart was selected as 1960's **"Junior Miss Corpus Christi"** and won third place in the "Junior Miss Texas" contest. She was Rally Club secretary this year, and is a member of Tawanka Y-Teens.

All-State Music: Choir

Bass **Charlie Noack** and tenor **Dubbie Morrison** were selected to be in the All-State Choir in Austin this year. Both boys have athletic as well as musical talents, since both were on the baseball team and Charlie lettered in varsity football. **Douglas Raasch** also was in All-State Choir.

Connie Morales received a double honor, being chosen in her junior year to be the only girl representing our school in All-State Choir. **Cary Griffin** showed artistic as well as musical talents when he painted the murals around which the choir built their Christmas program.

Both **Jerry Myers** and **Bill Garrison** were in the Regional Choir last year. Jerry, a junior, has a year remaining to sing for the Miller choir. Bill was a member of the varsity basketball team this year.

All-State Band members from Miller are **Ray Johnston** and **Ray Sanchez.** President of the Band this year, Ray Sanchez was vice-president last year, and also was the only junior to make All-State last year. Ray Johnston is a member of the Band Council.

All-State Music: Band

All-State Music: Orchestra

Jo Askey and **Patricia Esparza** were selected to be in the All-State Orchestra this year. Both have taken orchestra at Miller for the past three years. Jo was in the T.M.E.A. orchestra in Galveston last year, and she is also an honor student.

Honor Students

Believing that the term "honor student" should have more real significance, we have extended this year's "Who's Who" to include the top students from the senior class.

The students who are included are those who, at the end of the first semester of this year, had an average of 92.5 or higher for the past two and a half years of high school.

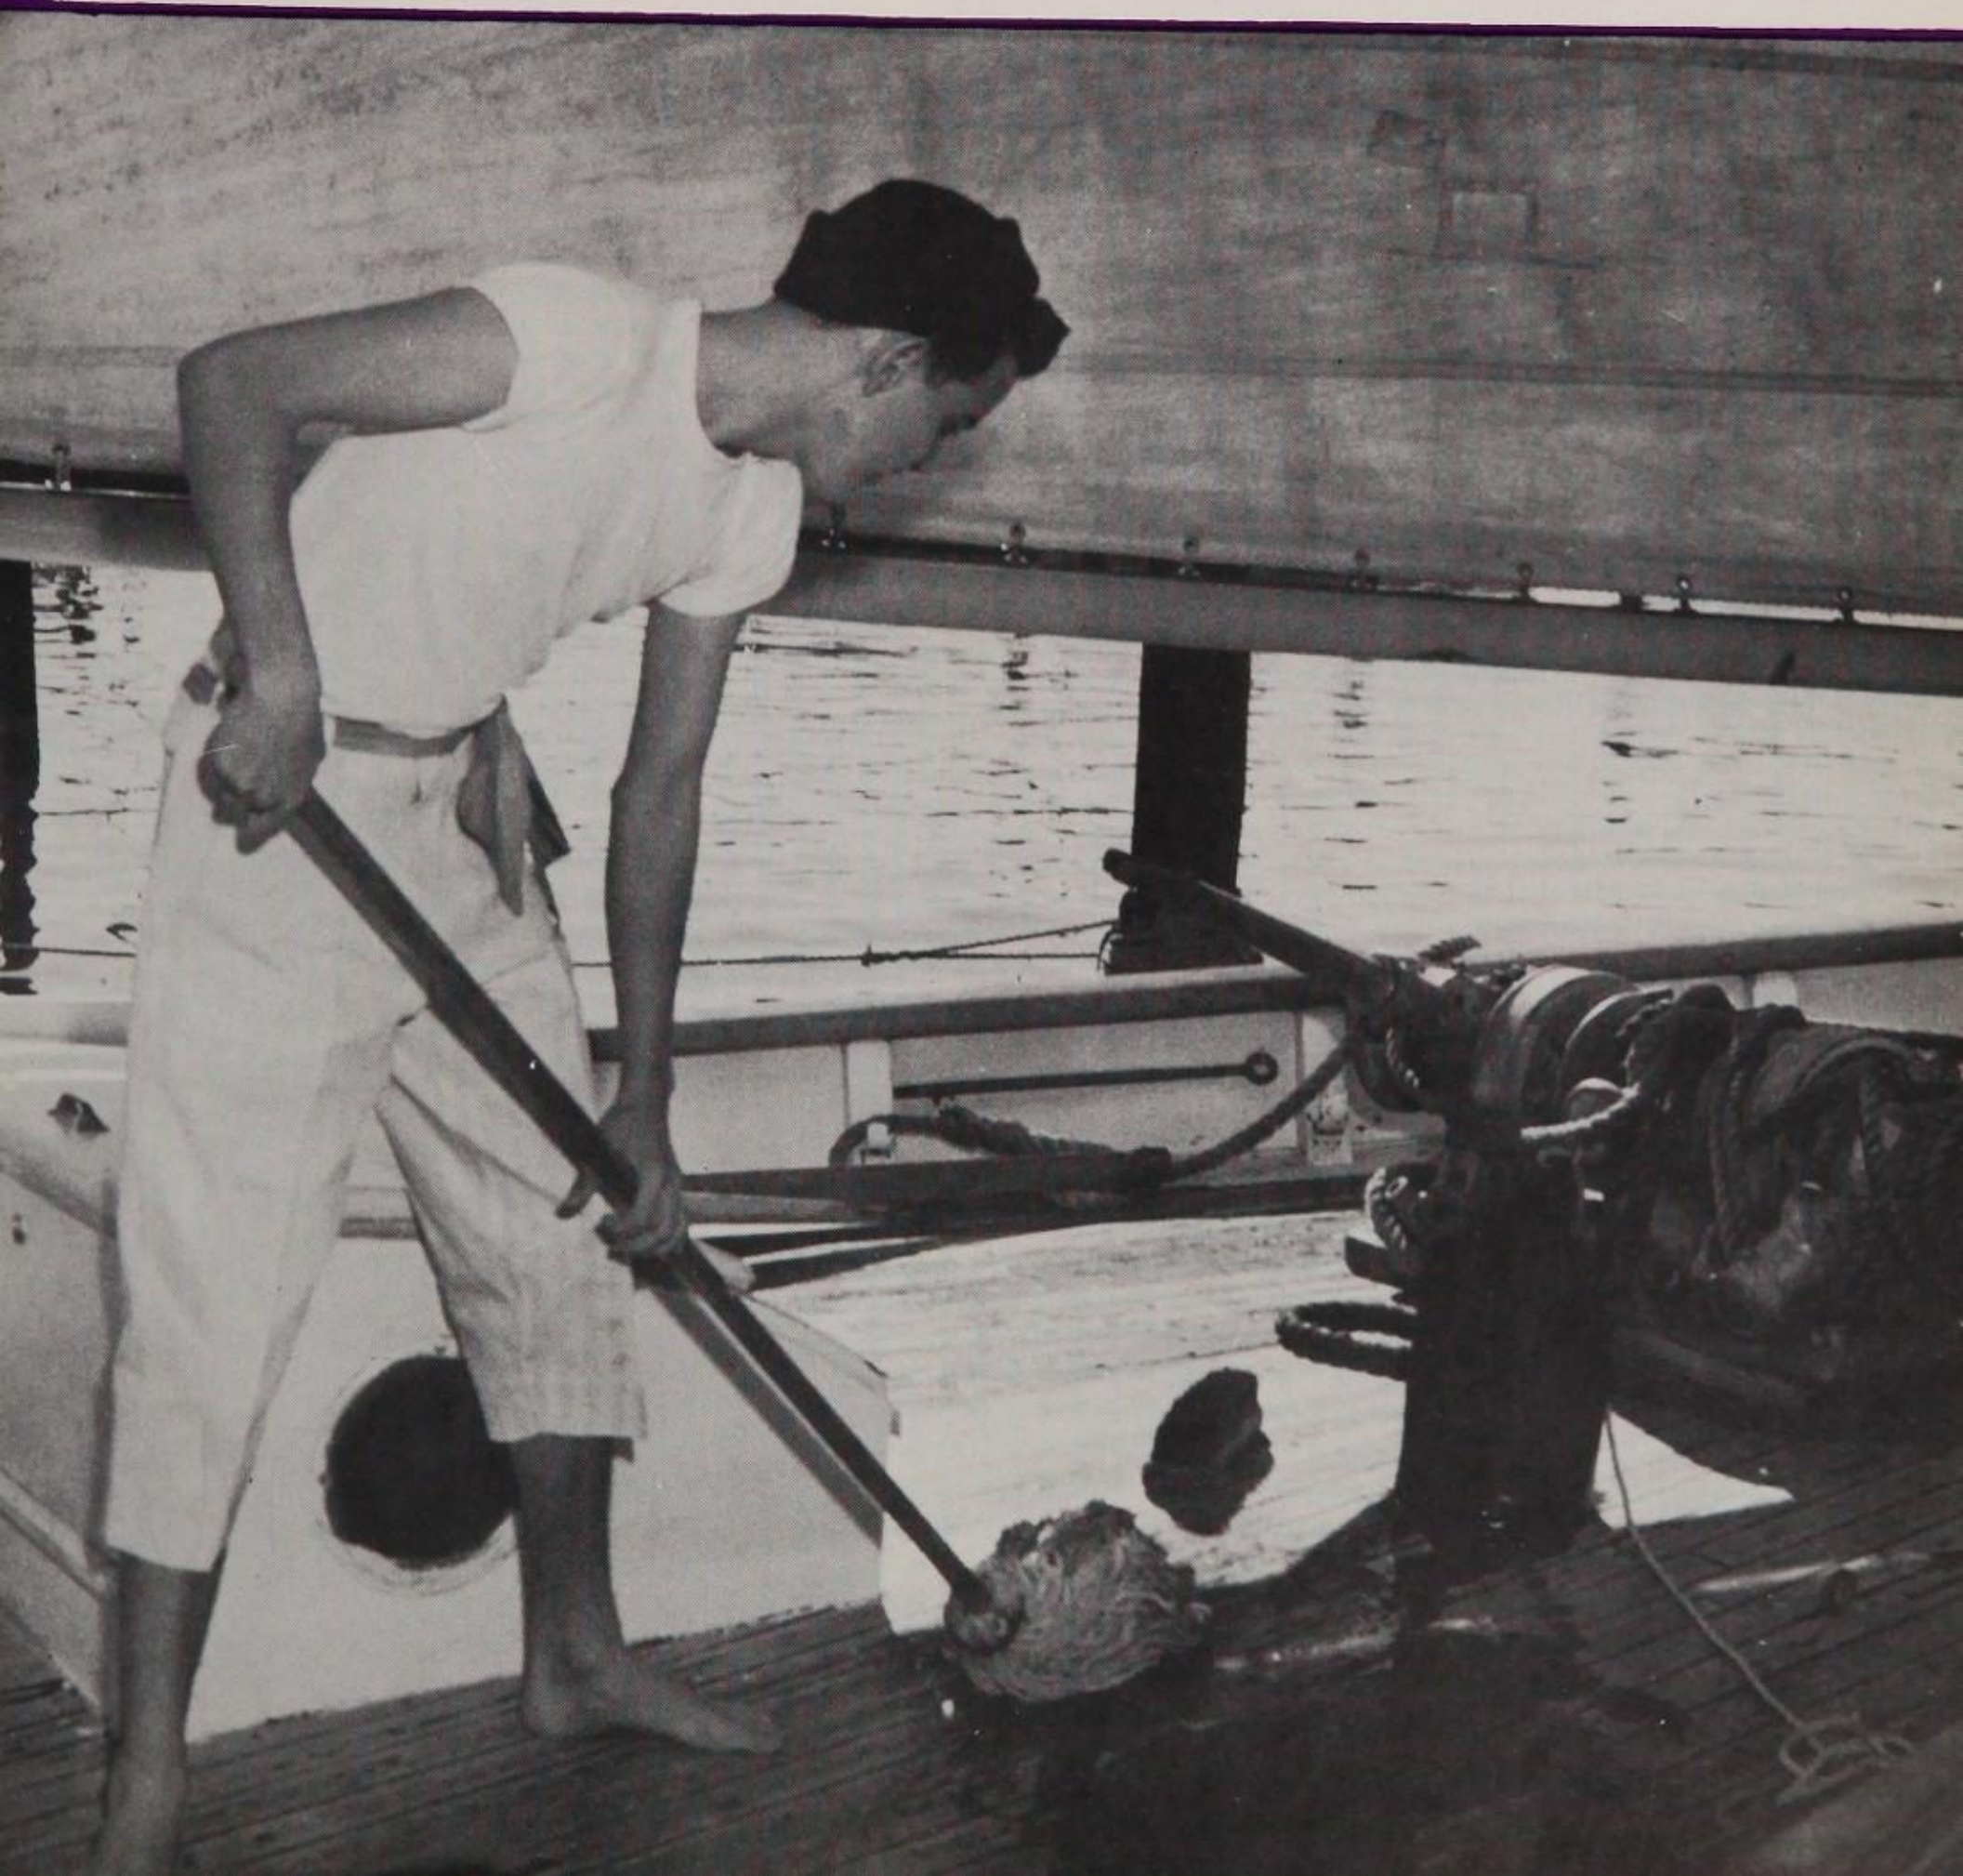
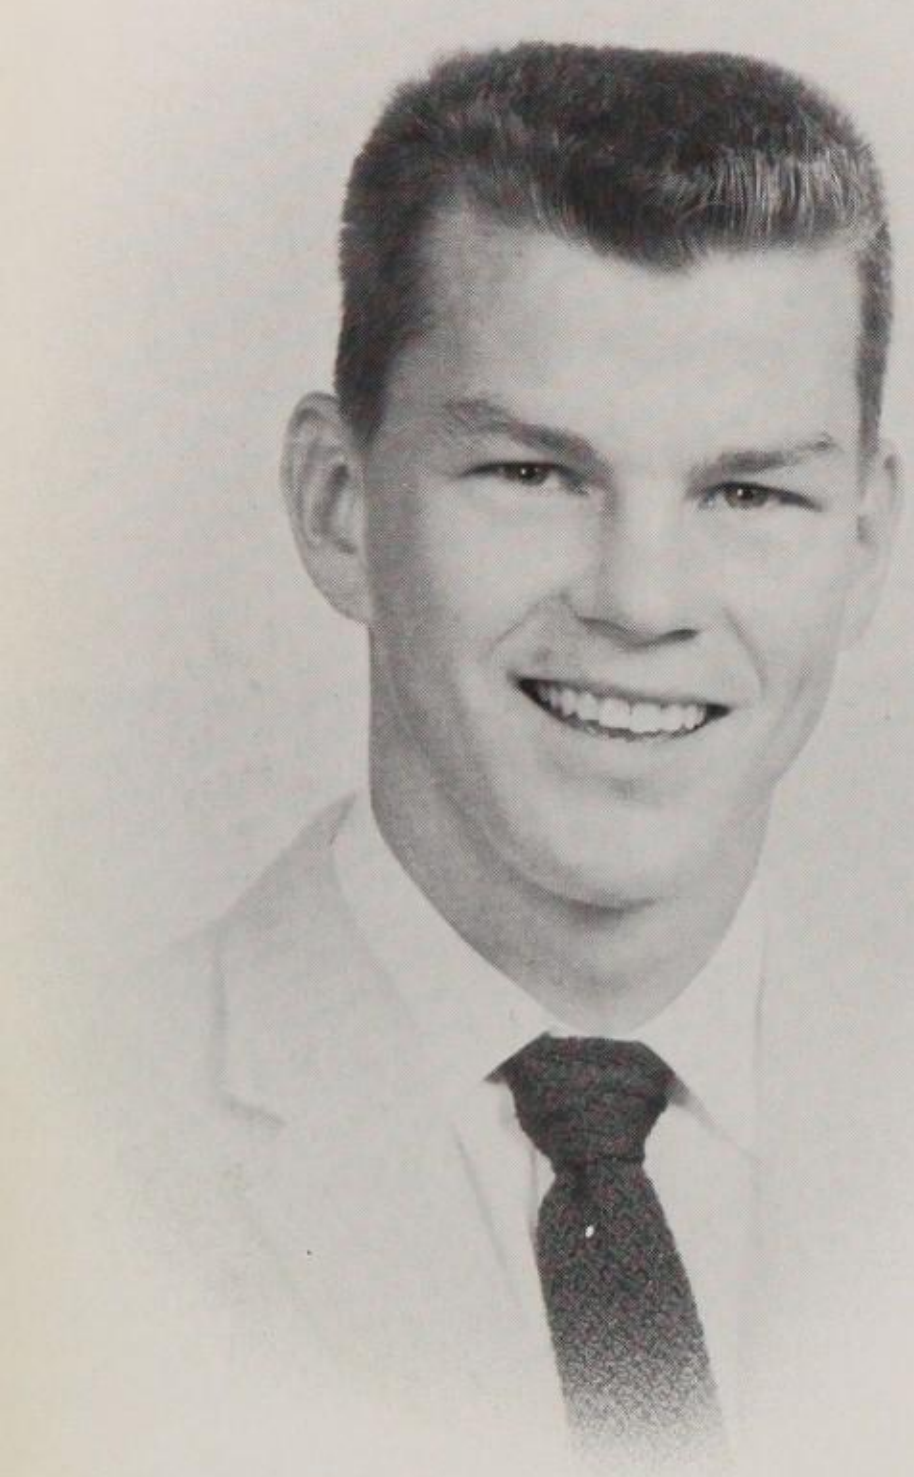
Sophomores . . .

Sophomores are the lowest form of life. They are ignorant, bewildered, slow to learn, and extremely gullible; they are energetic and bubbling over with enthusiasm!

Considering all the faults and short-comings of the Sophomore, it seems practically impossible that in only two short years he will become an intelligent, poised Senior!

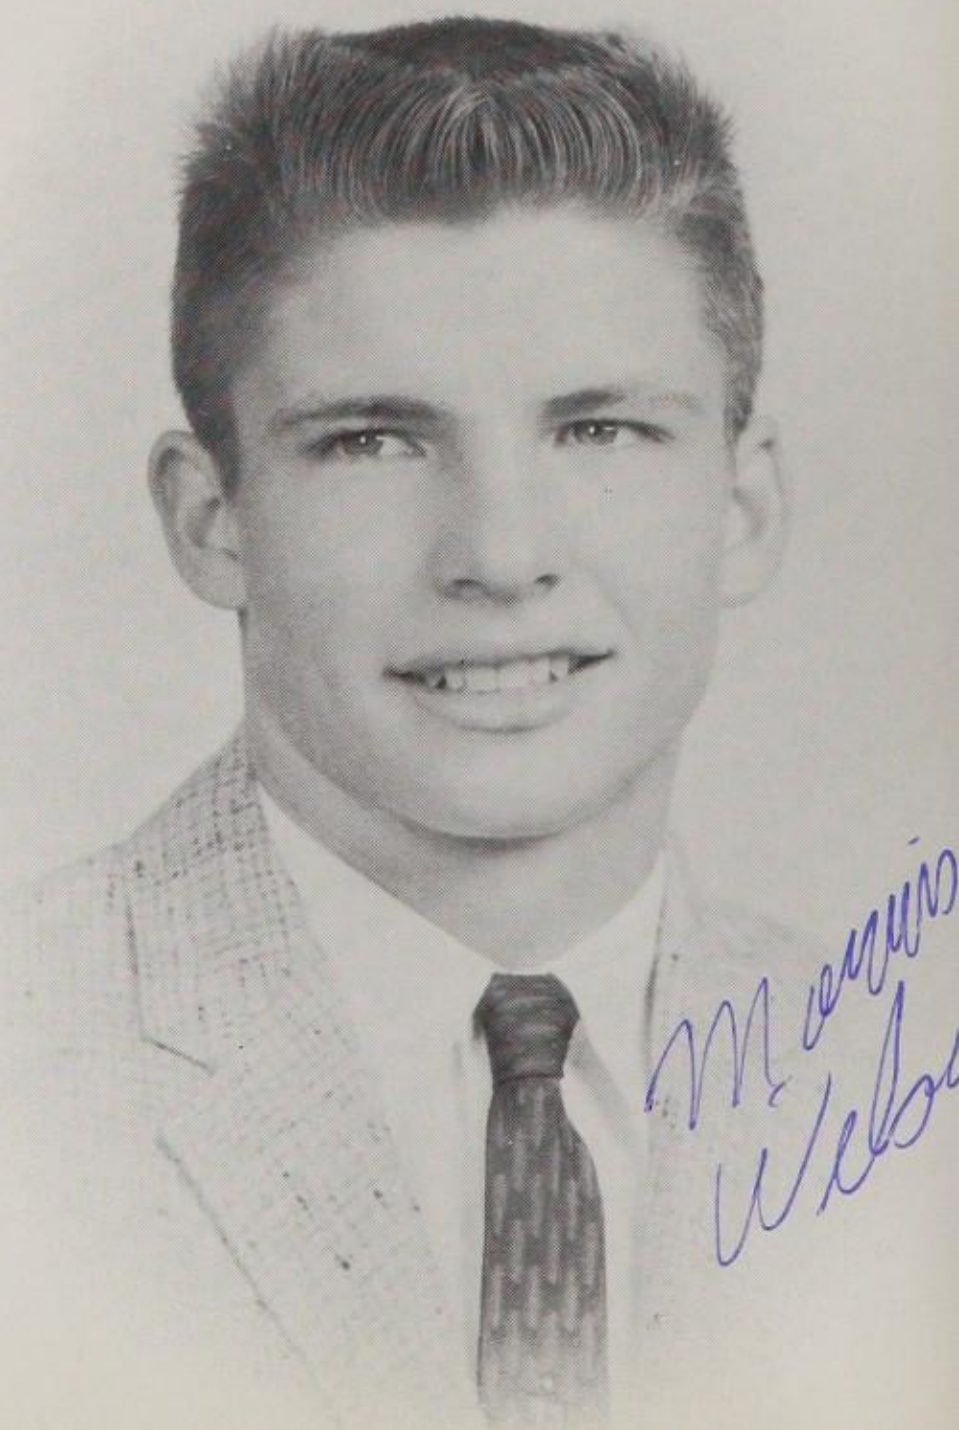


Sophomore



Marvin Kennedy's ready smile and athletic ability make him an outstanding sophomore. Marvin was one of two sophomores who played varsity football, and was favorite at Driscoll Junior High last year.

Morris Wilson played both varsity football and baseball for the Bucs this year. Morris was a class favorite and football co-captain at Driscoll.



Favorites

Estelle De Salme was honored by the sophomore class, who chose her class favorite. She was also selected a favorite at Driscoll.

Irma Silva, a top sophomore favorite, was a favorite at Wynn Seale Junior High last year. She was also Football Sweetheart last year, and was Sweetheart of the De Lord Boys' Club.

Sophomores' First Days Often Hectic

Sophomores find their first few days at Miller as hectic ones, but as the weeks pass, all seem to become very happy with their new "home." The sophomores are always quick to get in the swing of Miller activities, and are always a boost to the school. In their first year at Miller, the sophomores discover how really exciting football games can be, and are saddened when football season is finally over. Soon they realize that mid-term exams are approaching, and that these are sure to present more difficulty than a sophomore should be forced to accept. Mid-term passes quickly, however, and the second semester opens the way for the last stretch of their sophomore year.

612 Juniors Enroll

The very day students at Roy Miller become juniors, their eyes are set on that big senior year, the year which has always seemed so far away. Having become adjusted to Roy Miller as a sophomore, a student's junior year usually passes quite smoothly; but juniors spend much time envying that class only one year ahead of them. The big day comes surprisingly fast, however, and those students who have waited and struggled for eleven years to reach the top of the school ladder, soon discover themselves experiencing the trials and triumphs of their senior year.

Seniors . . .

Seniors of the Class of 1960 are young adults who are ready to start their own independent lives. Many of them will attend college; others will begin work immediately.

Whatever they may do in later life, certainly no senior will ever forget the last three years at Miller, with all their memories — and no one will forget the very best, '60!

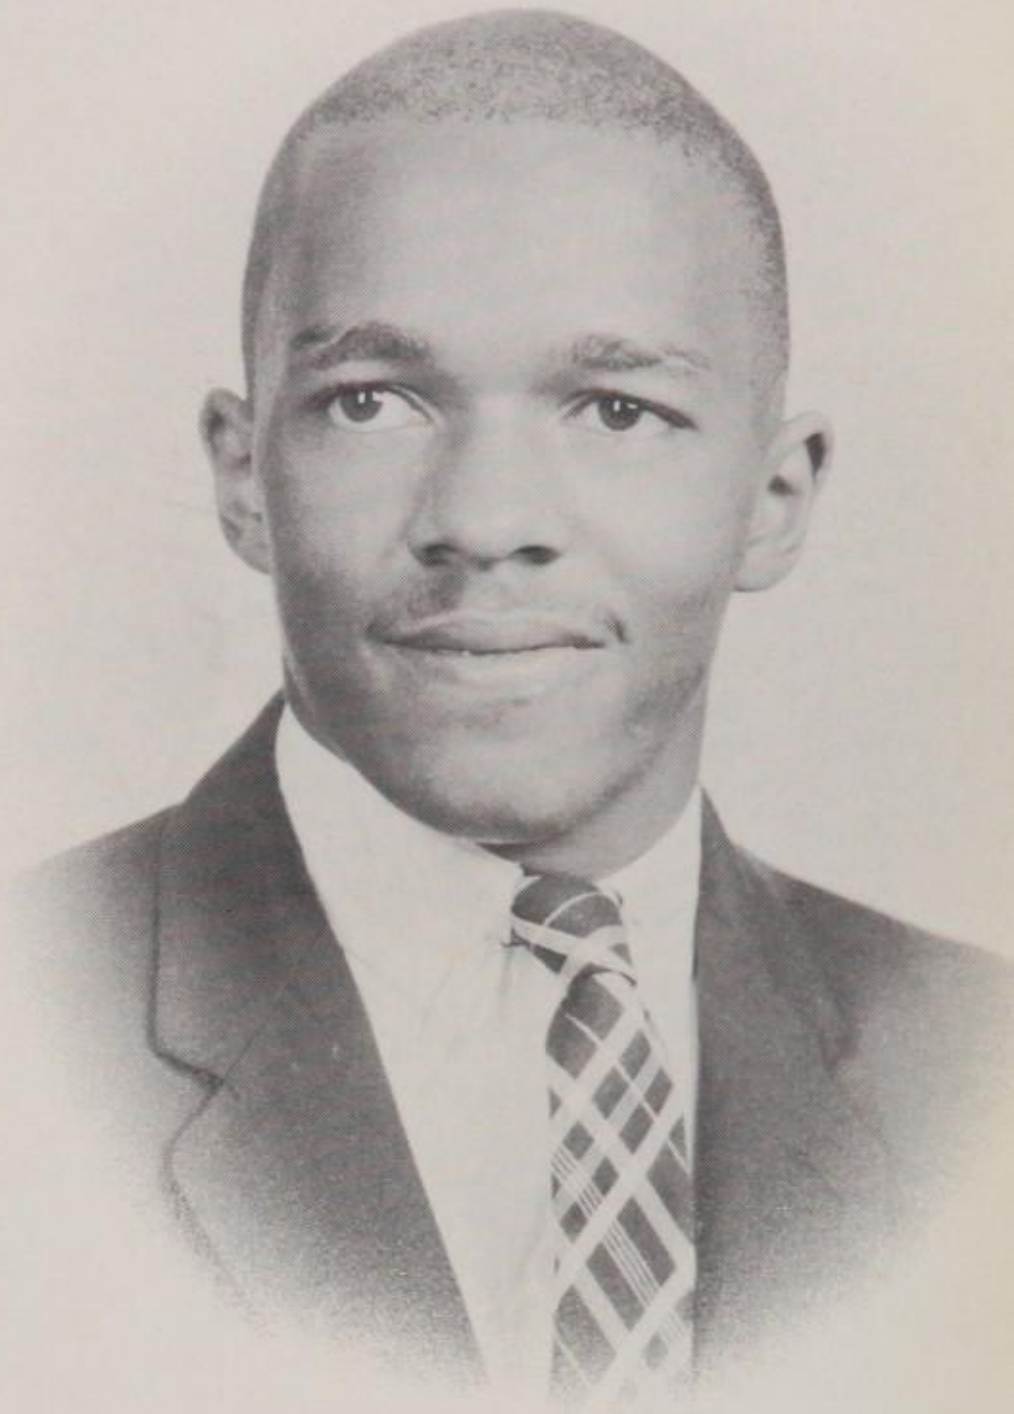
Senior

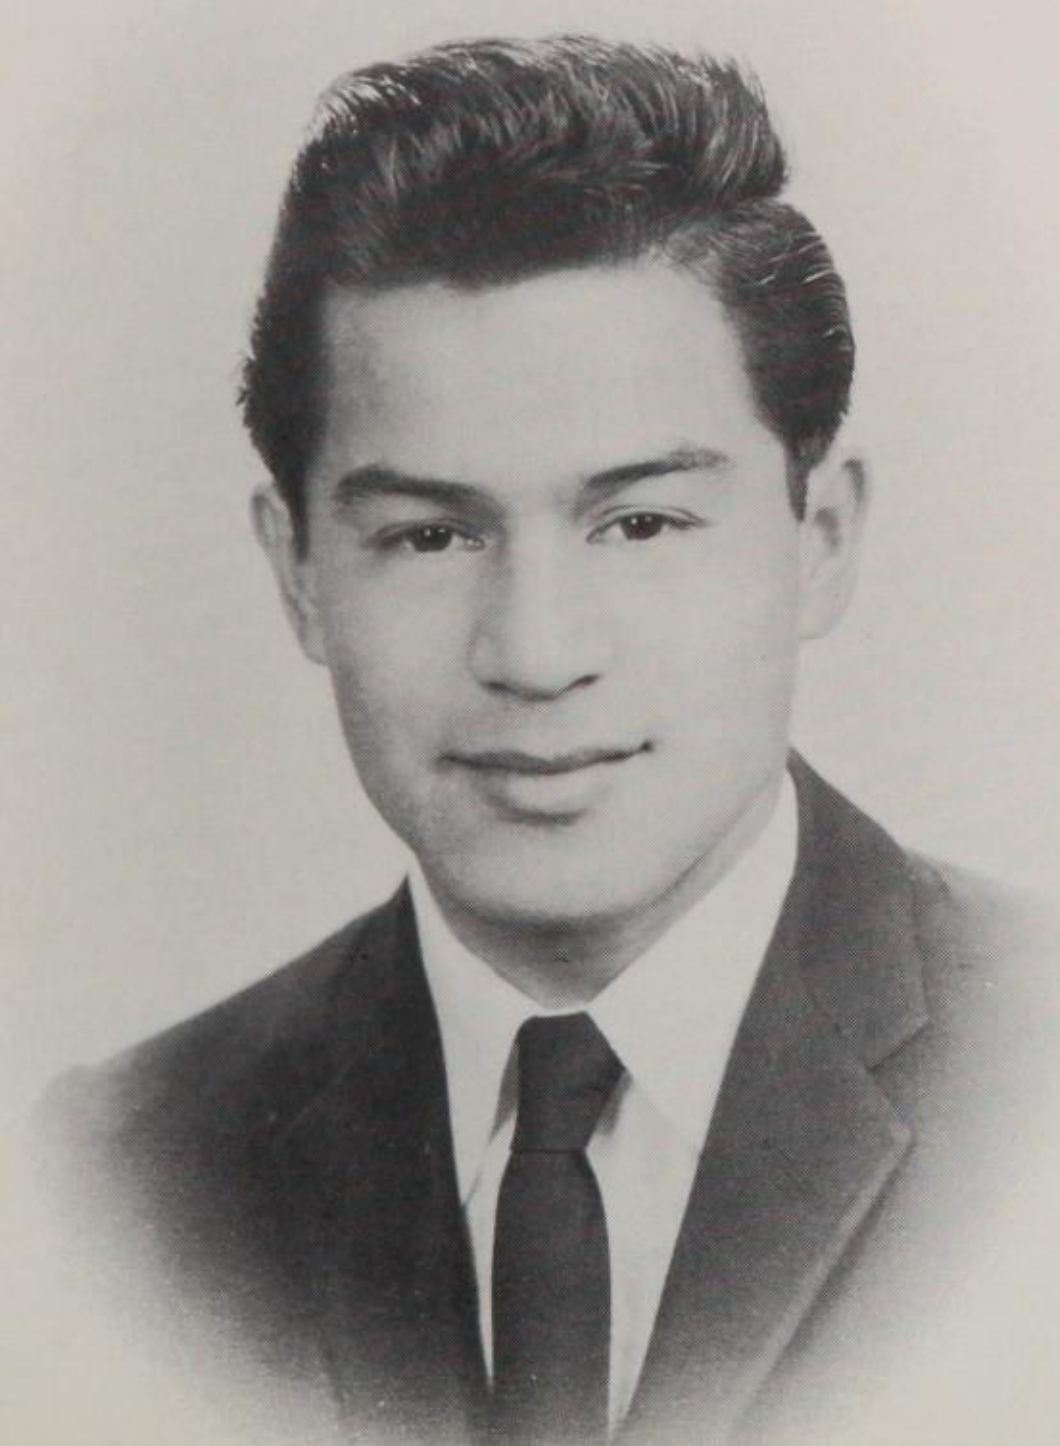
Honey Seward's sunshine smile and friendliness to everyone have made her top favorite all three of her years at Miller. Honey is a member of the Senior Council and belongs to Tawanka Y-Teens.

Irma Liscano, a top favorite this year, has been a nominee for favorite for the past two years.

Favorites

Bobby Gene Smith is known not only to every senior, but to Buc fans and football fans throughout the state for his brilliant play. He was a team co-captain this year and was the only Buc selected for All-State football.





Raul Garcia was elected to be the Senior Council president this year and has done an excellent job.

Seniors, Few Great in Pep

The senior class of 1960 was "born" shortly after ten o'clock the night of May 25, 1959, when the last member of the class of '59 received his diploma. At that time, senior rings saying "1960" were slipped on and proudly worn for the first time.

Summer was a time of excited anticipation, filled with plans for the coming year. Everyone felt that "The Seniors '60 will be the best senior class ever!" and meant to do everything possible to make certain that that prediction would come true.

in Number, Are and Leadership

Four hundred and thirty five seniors registered in September, and they received first choice of subjects and schedules. Sixteen credits are required for graduation and one required subject, Civics, is available only to seniors. However, students in their last years usually need no more than two or three more credits in order to graduate, and use the remaining periods for the courses they feel they will need most at college. Others attend school mornings and work in the afternoon.

Bucs Get Extr

This year there are fourteen seniors playing varsity football, including eight on the starting line-up. The basketball, baseball, and track teams also have many outstanding players drawn from the class of '60, and most participants in the "recreational" sports, which include golf, tennis, and bowling are from the senior class.

Power, Spirit Will Graduate

Seniors are the "backbone" of athletic teams. They are generally the best players, both because they are older and because they have had more experience and training. In their last year, they realize that what they do will be a permanent record of their class, so that they can afford very few mistakes. Traditionally, the captains of the various teams are always seniors.

For those who will attend college, the last year at Miller is one of preparation. The final choice of a university must be made, and subjects taken which will insure admittance. These subjects usually include English, a course in higher math, and either science or the second year of a language.

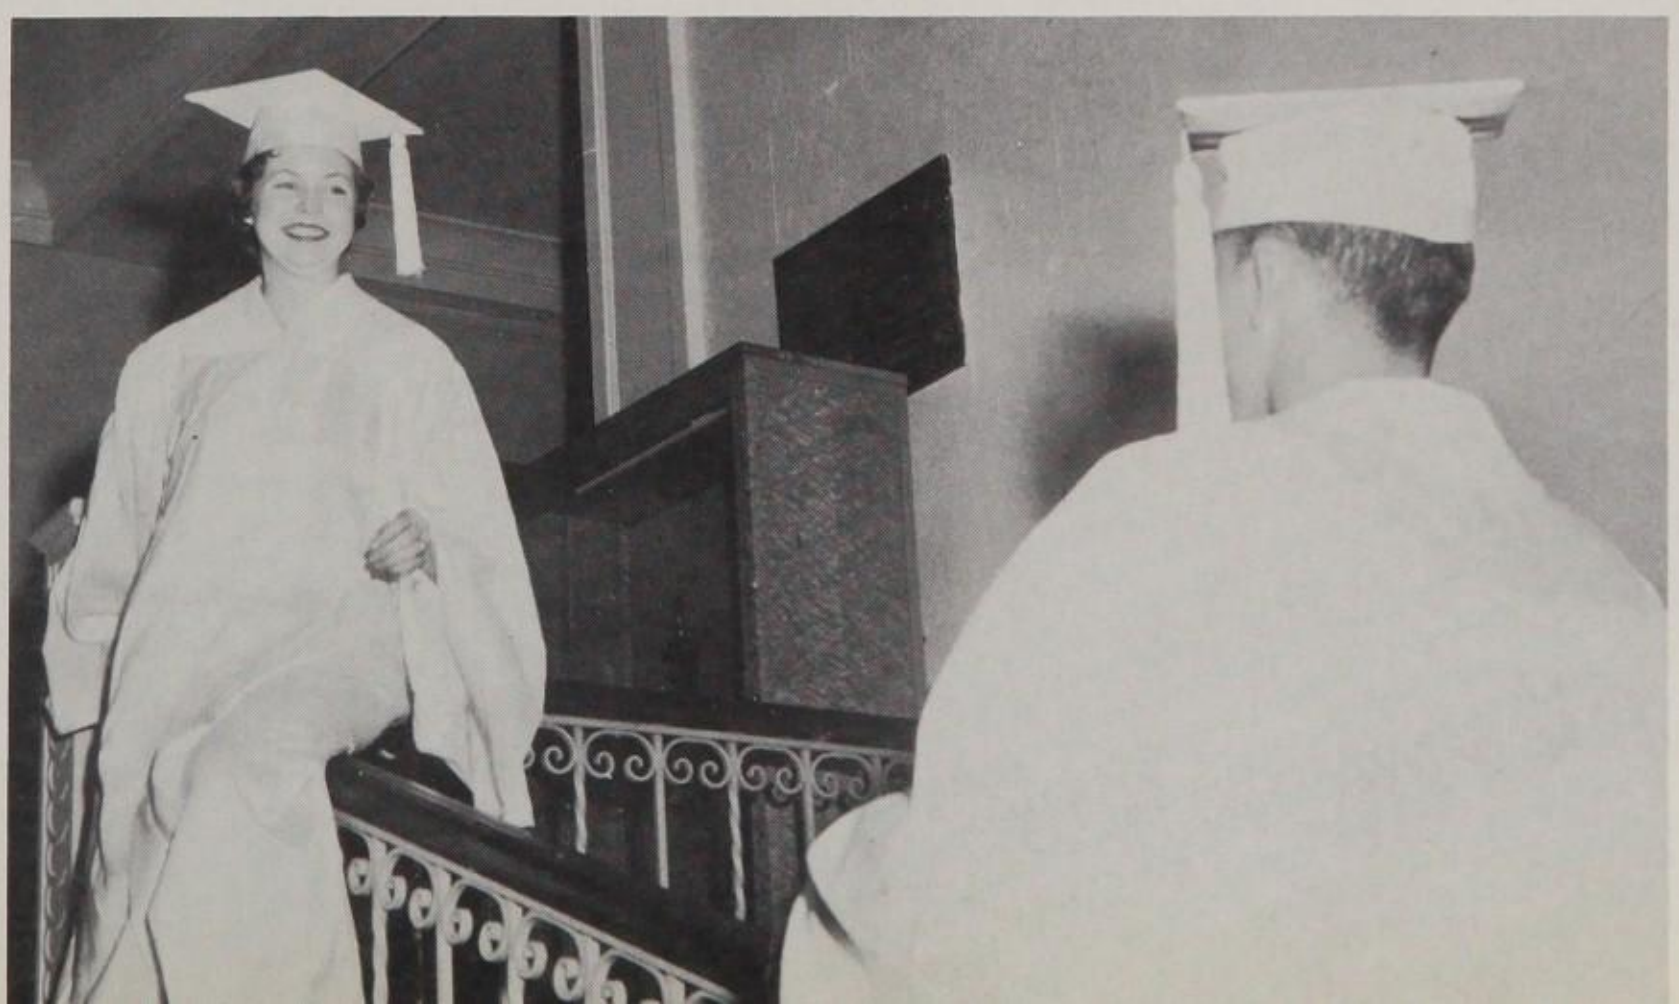
Seniors Do Earn Name

"Anything goes" is the motto of the senior class during the last week of the year. Carolyn Alston and Woody Landry act like sophomores again as Carolyn fulfills a long-hidden desire to slide down the front banister, an act that is usually frowned upon by school authorities.



Carolyn Vinson and Sherry Lynn Walden give advance payment on their cap and gown photographs to staff members Mable Gunn, Joyce Jackson, and Janice McNeill. Don Watson and Ray Wolf watch the ceremonies rather apprenhensively as they wait to take their turns in line.

Finals, Prom, Senior Year End

May brings the final events of the school year. Semester tests are given throughout one week, and in the windows of many homes lights can be seen burning far into the night as tardy students participate in the last-minute flurry of studying.

After the stress and strain of finals comes "the most wonderful night of all," the Senior Prom. It is a fitting climax for the year's festivities which will be vividly remembered for years to come.

Graduation make in Dizzy Whirl

The Baccalaureate service is a time for serious thought. Many of those who realize they will soon have the responsibilities, as well as privileges, of young adults, wonder if they are equal to the task.

Graduation exercises mark the end of a year which can never be relived but will always be remembered. Presentation of diplomas, the most treasured ceremony of all, somehow symbolizes the important decisions of the past year, as well as its added maturity and added knowledge.

Construction for the new lunch room began in the early spring. Supports have been erected for pouring the second story foundation. The second story will provide class room space to house the math department.

Miller Builds for the Future

Workmen prepare to pour cement into temporary supports. This new addition to Miller is expected to be completed in the late summer to house the cafeteria and provide additional classrooms.

Tentative plans have been laid for the 1960-61 school year. A new two story building is being erected between the gym and the main building. It will house a lunchroom and twelve class rooms. The new building is being built on the area where the tennis courts were previously located. The tennis courts are being re-located on the northwest side of the campus. The former lunchroom will be divided into a teacher's lounge and several class rooms. The present ladies' lounge will be converted into classrooms. Offices will be re-located in the present men's lounge. Shop classes will be the only classes that will meet in Calallen. The remodeling of the school will be completed in the late summer.

Ground-work is being laid for the first story foundation. Construction workers look on as cement is being poured into the forms. The upper story of the building will serve as the school's math department, and the lower floor will be the new location for the lunch room.

First stages of the new building are in progress. Heavy machinery moves in to assist the workmen in pouring cement into the forms.

As for luck and happiness, I really mean that. I hope you and I am very lucky and happy in what

Hello.

First of all I want to let you know much I have enjoyed knowing you for these past few months. They've been the most wonderful months in this whole year - if I may say so. I'm only sorry that this school year has to end so fast (But you're glad) I want to wish you the very best of luck through out this year and the years to come. I hope we make it for Sr. next year. You 2 of course! May all your dreams come true and all your wishes be granted down to the very smallest. Because you deserve it - I think! No, surely you do! I'm going to surely miss you these summer. No letters from you and all that. I'm glad you made it in pole-vault. I'm sure you will do better next year and good luck in football and let's beat Ray and Ekenoff all the way to "State" We can do it. I'll be feeling for you - you bet I will!!

Always, Love, Diane

ever you and I do together. But I won't have to worry because I'm pretty sure you and I will always be happy. That is, I will be happy when you're with me.

Boy, I can't wait until next year when I'll be going to Miller with you. Then I'll be able to see you for sure everyday! Not just after school and on week-ends.

Victor we've had our sad and blue times, but our happy and exciting times outnumber it by a very large margine! Especially in the summer, when schools out, and we get to go out quiet often. But I had the most fun playing football with you at the park, with Co-Co, and Peaches!

Well, I guess I'd better stop now, or else no one else could sign your wonderful annual!

Love,

Joyce [redacted] Majek
